Intro to Sociology is by far the worst course I've taken at WGU to date. The problem isn't as much the material, as the complete cluster-fuck of how the course is laid out and consumed. This is only made worse by an OA that is terrible and a "Study guide" that is 5 times longer then the OA. So how to pass?

Sociology Study Guides - SparkNotes
Sociology is the study of human behavior in social worlds. It embraces the concept of people playing social roles, such as soldier-of-fortune, mother, accountant, brother, gangster, police officer, and so on. However, social roles exist only because societies are structured. Social structures aren ' t physical, but they have very real effects.
