An Introduction to Project Management, Fifth Edition
The model of strategic change and human resource management, granted by Chris Hendry and Andrew Pettigrew, and by Routledge and John Wiley, originally published in the International Journal of Human Resource

Management(1990) 1 (1) 17 – 44, and in the British Journal of Management (1992) 3 (3), 137 – 56. Introduction I Human Resource Management
Human resources management (HRM) is a management function concerned with hiring, motivating and maintaining people in an organization. It focuses on people in organizations. Human resource management is designing management systems to ensure that human talent is used effectively and efficiently to accomplish organizational goals.

Fundamentals of human resource management
Human resource management at organizational level There are many aspects of human resource management. Some organizations may feel overwhelmed and unsure about where to start making improvements. This is particularly the case for organizations that do not have a team or department specifically responsible for human resource management.
