Introduction - How to Critique an Article (Psychology ...

The purpose of a psychology research paper, just like any kind of scientific writing, is to get the audience up to date about developments in the psychology field. Anything from new theories, experiments, ideas or arguments can fit in such a paper. When writing a research paper on a psychology-related domain your aim is to make those complex ideas filled with specific terms, more accessible to the broad audience and, at the same time, add your own experience in the field.
