The introduction to a research paper can be the most challenging part of the paper to write. The length of the introduction will vary depending on the type of research paper you are writing. An introduction should announce your topic, provide context and a rationale for your work, before stating your research questions and hypothesis.

[Punjab University B.Com Part 1 Introduction to Business ...](#)

The introduction gives an overall review of the paper, but does address a few slightly different issues from the abstract. It works on the principle of introducing the topic of the paper and setting it in a broader context, gradually narrowing the topic down to a research problem, thesis and hypothesis.
