Inside the Bible CUA Press

Although many Catholics are familiar with the four Gospels and other writings of the New Testament, for most, reading the Old Testament is like walking into a foreign land. Who wrote these forty-six books? When were they written? Why were they written? What are we to make of their laws, stories, histories, and prophecies? Should the Old Testament be read by itself or in light of the New Testament? John Bergsma and Brant Pitre offer readable in-depth answers to these questions as they introduce each book of the Old Testament. They not only examine the literature from a historical and cultural perspective but also interpret it theologically, drawing on the New Testament and the faith of the Catholic Church. Unique among introductions, this volume places the Old Testament in its liturgical context, showing how its passages are employed in the current Lectionary used at Mass. Accessible to nonexperts, this thorough and up-to-date introduction to the Old Testament can serve as an idea textbook for biblical studies. Its unique approach, along with its maps, illustrations, and other reference materials, makes it a valuable resource for seminarians, priests, Scripture scholars, theologians, and catechists, as well as anyone seeking a deeper understanding of the Bible.

A Contemporary Catechism of the Teachings of the Catholic Church Cambridge University Press
Merton shows us how to draw out the richness of worship from the psalter and to use it to achieve "the peace that comes from submission to God's will and from perfect confidence in him".....Catholic Review Service

The hardcover edition of this landmark resource, now available in the NABRE translation, contains all the authoritative study notes, expanded essays, and informational sidebars for which it is known and trusted. The heart of this volume remains its extensive Reading Guide that leads the reader through the Scriptures, book by book. References and background information are clearly laid out in the margins of the text, guiding the reader to a fuller understanding of the Bible. Other outstanding features include: a 15-page glossary of special terms, complete Sunday and weekday lectionary readings for the liturgical years of the Church. 32 beautiful pages of full-color Oxford Bible Maps come with a place-name index for easy reference. Printed on smooth, durable paper and bound with the highest quality materials, the Catholic Study Bible is an incredible value. It is available in three attractive and affordable bindings: black bonded leather, hardcover, and paperback. The New American Bible Revised Edition: The New American Bible Revised Edition (NABRE) brings to culmination the work of nearly 100 scholars, including translators, editors, and a subcommittee of Catholic bishops who provided extensive review of the biblical text over a period of many years. The NABRE is the first major amendment to the New American Bible translation since 1991. It features: *The first update of the Old Testament since 1970, taking into account recent archaeological and textual discoveries. *Complete revision of the Psalter.

Introduction to Catholicism Hassell Street Press

This book is a popular introduction to each of the 73 books of the Bible designed to help the reader grow in the knowledge and love of God's Word. The introduction to each book includes the time frame and author, the theme, a summary of the contents and some comments about the context in which it was written, the theology of the book, an outline, and a prayer taken from the book. Fr. Baker provides quick access to essential information the daily or occasional reader of sacred scripture should find helpful. The book may also be of help to more advanced students who wish to refresh their memory of a particular book of the Bible. By carefully reading Inside the Bible one can have a thumbnail summary of each book of the Bible at his fingertips. "Many Catholics revere the Bible without reading it. They find themselves paralyzed, not knowing where to start reading. Fr. Kenneth Baker comes to the rescue. In brief synopses of the 73 books he guides new readers through the threshold and shows them how they can move forward on their own.

Catholicism: A Very Short Introduction Liturgical Press

Doctoral Thesis / Dissertation from the year 2011 in the subject Theology - Comparative

Religion Studies, grade: 1,0, , course: Theologie-Apologetik, language: English, abstract: The Origin, Proliferation, and Institutionalization of Anti-Catholicism in America, and its impact on modern Christian Apologetics. As a Catholic Christian I am indubitably confronted with open and sometime vehement anti-Catholic polemic, and sometimes downright blind anti-Catholicism. This is of course not confined to "radical" anti-Catholic Protestant circles, but shows itself today in a number of instances as a deeply embedded part of North American pre- and post modern culture. Historian John Higham described anti-Catholicism as "the most luxuriant, tenacious tradition of paranoiac agitation in American history". Sentiment against the Roman Catholic Church and its followers, which was prominent in Britain from the English Reformation onwards, was exported to the United States. Two types of anti-Catholic rhetoric existed in colonial society. The first, derived from the heritage of the Protestant Reformation and the religious wars of the sixteenth century, consisted of the "Anti-Christ" and the "Whore of Babylon" variety and dominated anti-Catholic thought until the late seventeenth century. The second was a more secular variety which focused on the supposed intrigue of the Roman Catholics intent on extending medieval despotism worldwide . Historian Arthur M. Schlesinger, Sr. characterized prejudice against the Catholics as "the deepest bias in the history of the American people" and conservative Peter Viereck once commented that "Catholic baiting is the anti-Semitism of the liberals." This dissertation is the attempt to give a clear and plausible explanation for the sometimes blatant and moreover ever present latent anti-Catholicism in American society. I offer an excursion from the 15th century European roots, through the colonial beginnings of the Puritan colonies up through the 19th century Nativism movement, to present day secular and religious anti-Catholicism. I will also present the Catholic apologetic position to the various themes and positions. This work should in no way be seen as an attack on Protestant beliefs, but rather as an examination, explanation, and defence of the Catholic position. In a word; a true apologetic work.

The Fathers Know Best Image

Eve Tibbs offers a comprehensive yet accessible introduction to the beliefs and practices of the Eastern Orthodox Church for Western readers. Tibbs has devoted her career to translating the Orthodox faith to an evangelical audience and has over twenty years of experience teaching this material to students. Assuming no prior knowledge of Orthodox theology, this survey covers the basic ideas of Eastern Orthodox Christianity from its origins at Pentecost to the present day.

Little Rock Catholic Study Bible Georg Olms Verlag

This is a valuable introduction to the Catechism by the general editor of the Catechism (Schonborn)

and the head of the Bishops Commission for the implementation of the Catechism (Ratzinger). Providing helpful insights on how to read and study the Catechism, this book includes a prehistory of the Catechism, an overview of its structure and contents, the major themes and methods in it, a special introduction to the four parts of the Catechism, and specific advice on how to use the Catechism. Ratzinger and Schonborn illuminate the Catechism's teaching on faith, morals, prayer and sacraments, and how a Catholic lives those teachings in today's world.

Understanding the Scriptures Cambridge University Press

The Vatican. The Inquisition. Contraception. Celibacy. Apparitions and miracles. Plots and scandals. The Catholic Church is seldom out of the news. But what do its one billion adherents really believe, and how do they put their beliefs into practice in worship, the family, and society? This down-to-earth account goes back to the early Christian creeds to uncover the roots of modern Catholic thinking. It avoids getting bogged down in theological technicalities, and throws light on aspects of the Church's institutional structure and liturgical practice that even Catholics can find baffling: why go to confession? How are people made saints? What is 'infallible' about the Pope? Topics addressed include: • scripture and tradition • sacraments and prayer • popular piety • personal and social morality • reform, mission, and interreligious dialogue Lawrence Cunningham, a theologian, prize-winning writer and university teacher, provides an overview of Catholicism today which will be indispensable for undergraduates and lay study groups.

An Introduction to Catholic Bioethics Oxford University Press, USA

This college edition of Our Moral Life in Christ by Rev. Peter Armenio focuses on the Person and teachings of Christ and examines the moral life from that perspective. Christian morality is not only for "knowing," but also for "living." This is a practical manner in which the spirit of Christ is made manifest in the world, thus contributing to the improvement of society. Based on the Ten Commandments and the Beatitudes, Our Moral Life in Christ presents the teachings of the Magisterium on moral issues in modern society. Inspired by recent papal documents, especially the encyclical The Splendor of Truth, and the Catechism of the Catholic Church, this book provides the moral formation that will help the reader to become more Christlike in service of love and in the journey toward personal perfection as well as providing the foundation to pursue advanced theological studies.

A Basic Guide to Eastern Orthodox Theology Ignatius Press

Besides ethical questions raised at the beginning and the end of life, Nicanor Austriaco, O.P., discusses the ethics of the clinical encounter, human procreation, organ donation and transplantation, and biomedical research.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Catholic Study Bible St. Francis of Assisi Books

The Treasury of Catholic Wisdom is a Catholic library in miniature, a one-volume microcosm of what the Church's great minds have thought and said since the apostolic age. Indeed, in *The Treasury of Catholic Wisdom*, noted theologian Fr. John A. Hardon has compiled the works of thirty-three of the greatest Catholic thinkers and writers, representing every period of the Church's passage through time, from the beginnings of Christianity to the present day. Here are men and women, bishops and priests, religious and the laity "whose native talents were elevated by the supernatural light that God reserves for those who are most submissive to His will". Included in this extraordinary and fascinating anthology are the works of the early saints, such as Gregory, Basil, Augustine, John Chrysostom, Patrick, Bernard, Francis, and Thomas Aquinas. Here, too, are the writings of the great reformers Ignatius, Catherine of Siena, and Teresa of Avila; the mystic John of the Cross; the practical wisdom of Francis de Sales, Louis de Montfort, and Peter Julian Eymard; and the modern-day reflections of Gerard Manley Hopkins, Francis Thompson, Therese of Lisieux, G. K. Chesterton, and Fulton J. Sheen. Fr. Hardon has selected those writings which are representative of the thought and philosophy of each contributor, and has carefully chosen excerpts which are not always the most familiar. Thus, his volume provides not only a fresh collection of the best of Catholic wisdom, but also a uniquely comprehensive work which offers enlightenment and faith for generations of readers.

Ecumenism and Interreligious Dialogue Saint Mary's Press

Despite a long history of external threats and internal strife, the Roman Catholic Church remains a vast and influential presence in our modern world. But what were its origins, and how has it changed and adapted over the centuries? After Pope Benedict XVI dramatically resigned in early 2013 (the first Pope to resign since the fifteenth century), and Pope Francis was elected, many wondered what direction he would lead the Church in, and whether the Church could modernise in the face of the demands of our world. In this Very Short Introduction, Gerald O'Collins covers the history of the Catholic Church, and considers some of the key issues facing Catholicism today, such as the catastrophic revelations about clerical child abuse, the impact of the growth of Islam, and the destruction in the Middle East of ancient Christian church communities. He also shows how Catholics are being increasingly challenged by an opposition between their traditional Christian values and rights which are endorsed by the secular world, such as the right to physician assisted suicide or same-sex marriage, and considers the future for the largest and oldest institution in the world. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

An Introduction to Each Book of the Bible GRIN Verlag

Adrienne von Speyr, a renowned mystic and spiritual writer from Switzerland, was received into the Catholic Church at the age of 38 on the Feast of All Saints, 1940, by one of the theological giants of

the 20th century, Fr. Hans Urs von Balthasar. He became her spiritual director and confessor until her death in 1967 during which time Adrienne was favored with many gifts of authentic mystical prayer. Balthasar considered one of the central characteristics of Adrienne's prayer to be her transparency to the inspirations she received from God, along with a deep personal communion with the saints. Over a period of many years, Adrienne would see the saints (and other devout people) at prayer, and she would dictate what she saw to Fr.von Balthasar - while she was in a state of mystical prayer. Through a unique charism, she was able to put herself in the place of various individuals to see and describe their prayer, their whole attitude before God. Not all of her subjects are saints in the strict sense of the word, but all struggled, with varying degrees of success, to place their lives at the disposal of their Creator. This book presents these unique mystical insights into the prayer lives of many saints taken from Adrienne's direct visions of them in prayer. Among the long list of saints in this book are St. John the Apostle, St. Augustine, St. Francis, St. Thomas Aquinas, St. Ignatius of Loyola, St. Teresa of Avila, St. John of the Cross, St. John Bosco, St. Bernadette, St. Dominic, St. Edith Stein and many, many more. In this powerful spiritual work, the reader is able to participate in the devotional and spiritual life of the Church throughout the centuries by learning how numerous saints and devout people prayed, thus reflecting on the timelessness and beauty of the prayer of the Church.
