The Certificate Program in Demography is the first  
comprehensive training program in the New York metropolitan  
area. The CUNY Institute for Demographic Research (CIDR),  
established by the Board of Trustees of the City University  
of New York in November 2007, serves as a focal point for  
this program. Faculty from throughout CUNY, and who are  
affiliated with the Institute, teach the courses that comprise  
the Certificate Program.
