Connect Plus Wiley Managerial Accounting, 5e features a strong organization that provides students with a solid overview of managerial topics and is written in an easy-to-read and understand manner. A thorough presentation of basic concepts helps students best comprehend planning, controlling, and decision-making. The author introduces the new manufacturing environment and activity-based costing early, with details following

in subsequent chapters. The text counters a strong emphasis on the elements of the new manufacturing environment with a balanced discussion of the traditional environment. Titard provides students with one of the basic managerial tools -- the contribution approach income statement. Future managers learn how to best use accounting data in decision-making as the text reviews cost-profit-volume analysis, relevant cost, capital budgeting, quantitative techniques, and JIT

---

philosophy. Coverage of special topics provides the flexibility for instructors to emphasize topics often considered more financial than managerial. Additional cost topics are cost accounting systems and cost allocation. Two financial topics are included: statement of cash flows and financial analysis.

Managerial and Cost Accounting Bookboon Porter/Norton is a transitional text known for its readability, straightforwardness, decision-making focus, and

the incorporation of flagship companies. The authors were careful in the new fifth edition to keep the focus on the basics. The authors have eliminated confusing and redundant elements.

The result is an uncluttered, straightforward, and concise financial accounting textbook. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Loose-leaf Version

Introduction to Managerial Accounting

Introduction to Managerial Accounting  
This international best-seller provides a clear and accessible introduction to cost and management accounting. Colin Drury's renowned

authoring expertise blends theory and practice and the text encompasses all the basic topics needed on an introductory course. Now in its seventh edition, Cost and Management Accounting has been carefully updated to ensure it precisely fits the latest course and examination requirements. New to this edition: new and revised Real World View mini case studies; thorough stylistic overhaul to offer greater clarity and accessibility; and, all

theory and applications fully revised and updated throughout.

Managerial Accounting for Managers  
Createspace Independent Publishing Platform  
Accounting for Managers explains how accounting information is used by non-financial managers. The book emphasises the interpretation, rather than the construction, of accounting information and encourages a critical, rather than unthinking acceptance, of the underlying assumptions

---

behind accounting. It links theory with practical examples and case studies drawn from real life business situations in service, retail and manufacturing industries. Cost and Management Accounting  
Dame Publications  
The Fifth Edition of International Accounting provides an overview of the broadly defined area of international accounting, but also focuses on the accounting issues related to international business

activities and foreign operations. This edition also includes substantially updated coverage of the International Accounting Standards Board (IASB) and International Financial Reporting Standards (IFRS). The unique benefits of this textbook include its up-to-date coverage of relevant material, extensive numerical examples provided in most chapters, two chapters devoted to the application of International Financial Reporting Standards

(IFRS), and coverage of nontraditional but important topics such as strategic accounting issues of multinational companies, international corporate governance, and corporate social responsibility reporting. Managerial Accounting (16th Edition) Macmillan Higher Education  
Authors Eric Noreen, Peter Brewer, and Ray Garrison have crafted a streamlined Managerial Accounting book that is perfect for non-accounting majors who intend to move into managerial positions by

---

focusing on the fundamentals to develop the conceptual framework managers need to succeed. This is done by adhering to the three core standards: FOCUS Noreen/Brewer/Garrison pinpoint the key managerial concepts students will need in their future careers. With no journal entries or financial accounting topics to worry about, students can focus on the fundamental principles of managerial accounting. The manager approach in Noreen allows students to develop the conceptual framework needed to

succeed, with a focus on decision making and analytical skills. RELEVANCE Building student interest with its insightful Business Focus vignettes opening each chapter, current In Business examples throughout the text, and tried-and-true end-of-chapter material, students will always see the real-world applicability of Noreen/Brewer/Garrison. BALANCE There is more than one type of business, and so Noreen/Brewer/Garrison covers a variety of business models, including nonprofit, retail, service, wholesale,

and manufacturing organizations. Service company examples are highlighted with icons in the margins of the text. Financial Accounting: The Impact on Decision Makers Pearson Higher Education AU Survey of Accounting, 3rd edition, is designed to cover both financial and managerial accounting in a single 16-week course, presenting the material in a style easy for non-accounting majors to grasp. It incorporates

---

the same pedagogical innovations that have made Edmonds' financial and managerial titles such as fast-growing successes in the marketplace, including his unique Horizontal Financial Statements Model and a multiple accounting cycle approach that demonstrates the impact of related events over a series of accounting cycles. Loose Leaf For Managerial Accounting for Managers

McGraw-Hill/Irwin Cost Accounting & Management Essentials You Always Wanted To Know: 5th Edition is an introduction to cost accounting for engineers and scientists moving into management roles. The book covers: An introduction to cost accounting, Cost-Volume-Profit (CVP) analysis, Activity based Costing, Other aspects of cost allocation and control, Decision making using relevant information. Pearson Introduction to Managerial Accounting, 5/e by

Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; Brewer 5e has been rethought and retooled to meet the needs of the market. Brewer 5e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and

---

students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

Accounting for Managers  
McGraw-Hill Education  
The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence

requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student.

Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization. Managerial Accounting
