science fiction series written by John G. Hemry under the pen name Jack Campbell. The series is set one-hundred-plus years into an interstellar war between two different human cultures, the Alliance and the Syndics. The protagonist of the story is discovered floating in a suspended animation escape pod one hundred years after he made a "heroic last stand" against an enemy fleet. In his absence, he has been made into a renowned hero in the Alliance, but his legend and [The Lost Fleet: Beyond the Frontier--Invincible \(Lost ...](#)

History

Dreadnaught Summary. The first book of best-selling sci-fi author Jack Campbell ' s new series "Beyond the Frontier" returns to find Captain John " Black Jack" Geary, the hero of the "Lost Fleet" series, awoken from cryogenic sleep to take command of the fleet. Geary ' s legendary exploits have earned him the adoration of the people—and the enmity of politicians convinced that a living hero can be a very inconvenient thing.

Lost Fleet: Beyond The Frontier: Invincible by Jack ... The Lost Fleet Beyond the Frontier Invincible (2012) by Jack Campbell is a good read. The story is told third person past tense from Admiral John (Black Jack) Geary ' s point of view. Every time I read the name Black Jack I thought of Black Jack Pershing, a famous American general from the first half of the Twentieth Century.

The lost fleet has found another winner. The Blackjack Geary storyline continues with this latest book in the series, following the fleet past the extreme boundaries of Syndic Space and into the unknown. All in all, great story, great characters, brilliant conflict, and intense pace. The performance doesn't lack one bit.
