Twelve square miles

of paradise,

surrounded by an eight-foot-high chain-link fence: this is Nodd, the land of the Grace. It is all seventeen-year-old Jacob knows. Beyond the fence lies the World, a wicked, terrible place, doomed to destruction. When the Archangel Zerachiel descends from Heaven, only the Grace will be spared the horrors

of the Apocalypse. But something is rotten in paradise. A wolf invades Nodd, slaughtering the Grace's sheep. A new boy arrives from outside, and his scorn and disdain threaten to tarnish Jacob's contentment. Then, while patrolling the borders of Nodd, Jacob meets Lynna, a girl from the adjoining ranch, who tempts

him to sample the forbidden worldly pleasures that lie beyond the fence. Jacob's faith, his devotion, and his grip on reality are tested as his feelings for Lynna blossom into something greater and the End Days grow ever closer. Eden West is the story of two worlds, two hearts, the power of faith, and the resilience

of the human spirit. **Skullduggery** Simon and Schuster September Girls is a stunning coming-of-age novel about first loves, oblivious parents, sibling rivalries—and mermaids. This imaginative and painfully honest book garnered five starred reviews, including one from ALA Booklist that proclaimed it "a rare and lovely novel, deserving of attention from discriminating readers." Whisked away by his

father to an unusual beach town in the Outer Banks, Sam finds himself having the summer vacation most guys dream of. He's surrounded by beautiful blonde girls, and, better yet, they all seem inexplicably attracted to him. But there's definitely something strange about the Girls. They only wear flats because heels make their feet bleed. They never go swimming in the water. And they all want something from him. Sam falls for one of the Girls,

DeeDee, and begins an unexpected summer romance. But as they get closer, she pulls away without explanation. Sam knows that if he is going to win her back, he'll have to learn the Girls' secret. Bennett Madison, critically acclaimed author of *The Blonde of the Joke*, brings a mix of lyrical writing, psychologically complex characters, and sardonic humor to this young adult novel. *September Girls* is perfect for fans of the irreverent wit of Ned

Vizzini and the seductive magic of fairy tales retold. *The Big Crunch* Simon and Schuster
Is there any greater thrill than staring down your opponent across the poker table, waiting for the card that will make or break your hand? Acclaimed YA novelist Pete Hautman would know—he's been a poker fanatic for thirty years. And with poker now an international TV phenomenon, the time seems right for an anthology about this most exciting game.

From a contest that pits a hapless teen against his girlfriend's redneck family, to a midnight game with the Devil, to an Internet poker scheme gone horribly wrong, the stories here brilliantly reveal how poker can both irrevocably affect and eerily imitate teenage life.

A funny, clear-eyed view of the realities of teenage love from National Book Award winner Pete Hautman. A funny, clear-eyed view of the realities of teenage love from National Book Award winner Pete Hautman. Jen and Wes do not "meet cute." They do not fall in love at first sight. They do not swoon with scorching desire. They do not believe that they are instant soul mates

destined to be together forever. This is not that kind of love story. Instead, they just hang around in each other's orbits...until eventually they collide. And even after that happens, they're still not sure where it will go. Especially when Jen starts to pity-date one of Wes's friends, and Wes makes some choices that he immediately regrets. From National Book Award winner Pete Hautman, this is a love story for people not particularly biased toward

romance. But it is romantic, in the same way that truth can be romantic and uncertainty can be the biggest certainty of all...

"Why mess around with Catholicism when you can have your own customized religion?" Fed up with his parents' boring old religion, agnostic-going-on-atheist Jason Bock invents a new god -- the town's water tower. He recruits an

unlikely group of worshippers: his snail-farming best friend, Shin, cute-as-a-button (whatever that means) Magda Price, and the violent and unpredictable Henry Stagg. As their religion grows, it takes on a life of its own. While Jason struggles to keep the faith pure, Shin obsesses over writing their bible, and the explosive Henry schemes to make the new faith even more exciting -- and dangerous. When the Chutengodians hold their

first ceremony high atop the dome of the water tower, things quickly go from merely dangerous to terrifying and deadly. Jason soon realizes that inventing a religion is a lot easier than controlling it, but control it he must, before his creation destroys both his friends and himself.
