A Comprehensive User Guide to Apple iPad Mini 5
The iPad mini 2019 is Apple's most complete iPad, and it's deceptively powerful for its small size. It has a bright 7.9-inch display that works with the Apple Pencil and a chipset that smokes the small tablet competition. It's Apple's most satisfyingly iPad and proof that things won't change very much when serious small tablet competition is nowhere to be found in 2020. The familiar 7.9-inch display feels perfectly sized to grip in one hand and operate with two, just as it did when the iPad mini 4 released nearly four years ago. There are many other factors that make up the overall

goodness of the iPad Mini 5. We got a chance at handling the device and we are presenting our User Guide to help you maximize your iPad Mini 5. This book is written in simple and clear terms with a step-by-step approach and with tips and tricks that will help you to master your iPad Mini 5 within the shortest period of time. you believe some news stories, the latest iPad update (iOS 7) is radically different and you should beware of updating! They're wrong!

This book is for both new users of iPad and those upgrading to the latest update. I'll walk you through the changes and show you why updating is nothing to be afraid of. The iPad Mini doesn't come with a handbook / user guide, but don't believe other handbooks that tell you that's why you need to buy their handbook! iPad Mini does have a handbook! There's three ways to get it: 1. Download it

from the Apple iBookstore (it's free)². Get it online by going to manuals.info.apple.com³. Get it on your tablet; if you go to your bookmarked pages on Safari, the last bookmark is for the "iPad Mini User Guide." So why do you need this book? This book was written for my parents; people who needed to know as much as possible, as quickly as possible. There are people who want to know every single little detail about the iPad Mini, and you will find that in Apple's comprehensive manual; but if you are like my parents—new to the iPad Mini and just want to learn all the basics in about 30 minutes or an hour, then this guide will help you—people who just want to know how to add their contacts, take photos, and email. It's not for advance users, although if you are upgrading

from the previous Apple iOS (iOS 5.1) you will probably find it useful. If you have previously purchased my iPhone iOS 7 Quick Starter Guide, know in advance that this is essentially the same guide—if you know how to use an iPhone, then you don't need a quick start guide—you already know how to use an iPad Mini!
