The iPod Shuffle doesn't come with a manual when you buy it. That's not unusual. In our age of downloads, it's pretty common that most products — especially computers and other electronic gadgets — don't come with printed manuals.

You won't find a printed
manual in the box that your
iPod nano comes in. In our
digital age, printed manuals
are a rare and endangered
species. But that doesn't mean
that Apple doesn't make
manuals for the nano. It just
doesn't print them anymore.
