A word of advice? Always expect the unexpected, and never stop trying for the best. Whether you're an A-grade student or an average one, it's never too late - nor too early - to reflect on and start working towards your dreams. The New Year's looming in the distance as well, now; why not, this time around, skip past the cliché resolutions and instead aim to build yourself? To build yourself wherein you are a force to be reckoned with. Where no hurdles will scathe you, no frenemy will bring you down. Because whether you're 17 or 20 or 25 or even 30, there's always, always room to grow. To be better, to do better. And what a better moment to do so than at this current moment in time? At this moment in time where you are potentially deciding on the rest of your lives?
