Ironically I think it was only a whole nation when it was under British rule. I think that one day it will be whole and independent but

only when North and South both look more like Britain, economically liberal and outward looking.

Will Ireland Reunify After Brexit? |
HuffPost

But part of this historic agreement concerned the future of Northern Ireland. If, at some future point, a majority of people in both the Republic and Northern Ireland vote to unify, then that is what will happen. Britain will finally give up all claim to any part of the island, and they will be one single nation.
