...  
Chapter 1- The  
Irony of  
Democracy.  
This chapter  
describes the  
meaning of  
elitism and the  
meaning of  
democracy and  
shows that  
they cannot  
truly coexist in  
the purest  
form of each  
system. Dye  
shows that the  
irony of  
democracy is  
that the elite  
must make the  
decisions that  
the rest of the  
people have to  
follow. He  
states that,  
“ The masses

do not lead,  
they follow. ”  
(Dye, 1).

About This Product. The question at the center of the seventeenth edition of THE IRONY OF DEMOCRACY is “ How democratic is American society? ” While most American government textbooks address politics from a pluralist perspective, this text approaches the subject using an elitist

perspective, thus exposing the irony between it and democratic theory and modern pluralist theory.  
Irony Of Democracy 15th Edition | [www.voucherbadger.co](http://www.voucherbadger.co)  
The Irony of Democracy: An Uncommon Introduction to ...  
The Irony of Democracy is a good alternative introduction to American politics and government that challenges students to think critically about U.S.

government and their role in it.  
[THE IRONY OF DEMOCRACY] makes a strong case for ideas students have not considered before.
