The Encyclopedia of Communication Theory provides students and researchers with a comprehensive two-volume overview of contemporary communication theory. Reference librarians report that students frequently approach them seeking a source that will provide them with a quick overview of a particular theory or theorist - just enough to help them grasp the general concept or theory and its relation to the discipline as a whole. Communication scholars and teachers also occasionally need a quick reference for theories. Edited by the co-authors of the best-selling textbook on communication theory and drawing on the expertise of an advisory board of 10 international scholars and nearly 200 contributors from 10 countries, this work finally provides such a resource. More than 300 entries address topics related not only to paradigms, traditions, and schools, but also metatheory, methodology, inquiry, and applications and contexts. Entries cover several orientations, including psycho-cognitive; social-interactive; cybernetic and systems; cultural; critical; feminist; philosophical; rhetorical; semiotic, linguistic, and discursive; and non-Western. Concepts relate to interpersonal communication, groups and organizations, and media and mass communication. In sum, this encyclopedia offers the student of communication a sense of the history, development, and current status of the discipline, with an emphasis on the theories that comprise it.

Out of necessity, unconsciously and very successfully, Josephine donned a disguise to keep all others at bay. She led a globetrotting lifestyle on the fringes of the fashion and music elite, but she kept herself distant. While Josephine was trotting the globe, retired boxer Jake Spear was living in the same small town as Lydia. There was nothing disguised about Jake. Including the fact he made a habit of making very bad decisions about who to give his love. But for Josephine and Jake, there was one person who adored them. Inspired by real women, this powerful novel tells the story of two unconventional American sisters who volunteer at the front during World War I August 1914. While Europe enters a brutal conflict unlike any waged before, the Duncan household in Baltimore, Maryland, is the setting for a different struggle. Ruth and Elise Duncan long to escape the roles that society, and their controlling father, demand they play. Together, the sisters volunteer for the war effort—Ruth as a nurse, Elise as a driver. Stationed at a makeshift hospital in Ypres, Belgium, Ruth soon confronts war's harshest lesson: not everyone can be saved. Rising above the appalling conditions, she seizes an opportunity to realize her dream to practice medicine as a doctor. Elise, an accomplished mechanic, finds purpose and an unexpected kinship within the all-female Ambulance Corps. Through bombings, heartache and loss, Ruth and Elise cherish an independence rarely granted to women, unaware that their greatest challenges are still to come. Illuminating the critical role women played in the Great War, this is a remarkable story of resilience, sacrifice and the bonds that can never be vanquished.

"Jillian Cantor beautifully re-crafts an American classic in *Beautiful Little Fools*, placing the women of *The Great Gatsby* center stage: more than merely beautiful, not so little as the men in their lives assume, and certainly far from foolish. Both fresh and familiar, this page-turner is one to savor!"  
—Kate Quinn, New York Times bestselling author of *The Rose Code*  
"Jillian Cantor's shifting kaleidoscope of female perspectives makes F. Scott Fitzgerald's classic tale of Jazz Age longing and lust feel utterly modern. A breathtaking accomplishment." —Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue* USA Today bestselling author Jillian Cantor reimagines and expands on the literary classic *The Great Gatsby* in this atmospheric historical novel with echoes of *Big Little Lies*, told in three women's alternating voices. On a sultry August day in 1922, Jay Gatsby is shot dead in his West Egg swimming pool. To the police, it appears to be an open-and-shut case of murder/suicide when the body of George Wilson, a local mechanic, is found in the woods nearby. Then a diamond hairpin is discovered in the bushes by the pool, and three women fall under suspicion. Each holds a key that can unlock the truth to the mysterious life and death of this enigmatic millionaire. Daisy Buchanan once thought she might marry Gatsby—before her family was torn apart by an unspeakable tragedy that sent her into the arms of the philandering Tom Buchanan. Catherine McCoy, a suffragette, fights for women's freedom and independence, and especially for her sister, Myrtle Wilson, who's trapped in a terrible marriage. There are few authors who can weave nail-biting thrills, edge-of-your-seat drama, and romantic suspense as masterfully as Julie Garwood. Now she ratchets up the tension with *Murder List*, in which evil is on the hunt – and proves to be methodically organized and chillingly successful. When Chicago detective Alec Buchanan is offered a prime position with the FBI, it is the perfect opportunity to leave the Windy City and follow in his brothers ' footsteps to the top echelons of law enforcement. But first he must complete one last assignment (and one that he is not too happy about): acting as a glorified bodyguard to hotel heiress Regan Hamilton Madison. The gorgeous exec has become entangled in some potentially deadly business. Someone has e-mailed her a graphic crime-scene photo – and the victim is no stranger. Regan suspects that the trouble started when she agreed to help a journalist friend expose a shady self-help guru who preys on lonely, vulnerable women. In fact, the smooth-as-an-oil-slick Dr. Lawrence Shields may be responsible for the death of one of his devotees, which was ruled a suicide. Hoping to find some damning evidence, Regan attends a Shields seminar. At the gathering, the doctor persuades his guests to partake in an innocent little “cleansing” exercise. He asks them to make a list of the people who have hurt or deceived them over the years, posing the question: Would your world be a better place if these people ceased to exist? Treating the exercise as a game, Regan plays along. After ten minutes, Shields instructs the participants to bring their sheets of paper to the fireplace and throw them into the flames. But Regan misses this part of the program when she exits the room to take a call – and barely escapes a menacing individual in the parking lot. The experience is all but forgotten – until the first person on Regan ' s list turns up dead. Shock turns to horror when other bodies from the list start to surface, as a harrowing tango of desire and death is set into motion. Now brutal murders seem to stalk her every move – and a growing attraction to Alec may compromise her safety, while stirring up tender emotions she thought she could no longer feel. Yet as the danger intensifies and a serial killer circles ever closer, Regan must discover who has turned her private revenge fantasies into grisly reality.
