Crazy Hot Harlequin The Encyclopedia of Communication Theory provides students and researchers with a comprehensive two-volume overview of contemporary communication theory. Reference librarians report that students frequently

approach them seeking a source that will provide them with a quick overview of a particular theory or theorist - just enough to help them grasp the general concept or theory and its relation to the discipline as a whole. Communication scholars and teachers also occasionally need a quick reference for theories. Edited by the co-authors of the best-selling textbook on communication theory and drawing on the expertise of an advisory board of 10 international

scholars and nearly 200 contributors from 10 countries, this work finally provides such a resource. More than 300 entries address topics related not only to paradigms, traditions, and schools, but also metatheory, methodology, inquiry, and applications and contexts. Entries cover several orientations, including psycho-cognitive; social-interactive; cybernetic and systems; cultural; critical; feminist; philosophical; rhetorical; semiotic, linguistic, and

---

discursive; and non-Western. Concepts relate to interpersonal communication, groups and organizations, and media and mass communication. In sum, this encyclopedia offers the student of communication a sense of the history, development, and current status of the discipline, with an emphasis on the theories that comprise it.

The pioneering research and theories of Norbert Seel have had a profound impact on educational thought in mathematics. In this special tribute, an international panel of researchers presents the current state of model-based education: its research, methodology, and technology. Fifteen stimulating, sometimes playful chapters link the multiple ways of constructing knowledge to the complex real world of skill development. This synthesis of latest innovations and fresh perspectives on classic constructs makes the book

cutting-edge reading for the researchers and educators in mathematics instruction building the next generation of educational models.

Daughters of the Bride  
Puffin Books  
An irresistible new love story from the #1 New York Times bestselling author of the Fool's Gold series, set in a town Library Journal calls "so appealing, readers will want to start scoping out real estate." To overcome her painful past, baker Shelby Gilmore goes on the hunt for a friend—a male friend—to convince her stubborn psyche that men can be trusted. But where in a town as small as Fool's Gold will the petite blonde find a guy

willing to not date her? Dark, charming Aidan Mitchell puts the "adventure" in Mitchell Adventure Tours...and into the beds of his many willing female tourists. Until he realizes he's inadvertently become that guy—the one-night Casanova—and worse, everyone in town knows it. Maybe Shelby's boy/girl experiment will help him see women as more than just conquests so he can change his ways and win back his self-respect. As Aidan and Shelby explore the secret lives of men and women, the heat between them fires up the Fool's Gold rumormill. If no one will believe they're just friends, maybe they should give the gossip something to

vowed to spend his  
life alone. But  
sometimes love's  
flames can transform  
a cold world into  
paradise—and a man  
who's lost nearly  
everything, a woman  
who's forgotten how  
to dream, and the  
helpless child who  
needs them both can  
become that most  
wondrous creation: a  
family.

Cinder Macmillan No.1 New York Times bestselling author Susan Mallery welcomes you back to Fool's Gold, California for a classic heartwarming tale for the holidays! The unrelenting cheer in Fool's Gold, California, is bringing out the humbug in dancer Evie Stryker.

Christmas miracles don't happen, at least not to her — and this year seems like no exception. She won't be seduced by the bad — boy charms of her brother's best friend. Even when she's recruited to stage Fool's Gold's winter festival, she vows to do as promised, then move forward with her life. Jaded lawyer Dante Jefferson is getting used to the backwater town he now reluctantly calls home, but he's unprepared for the attraction that sears him down to the soul. Evie his best friend's sister is

off — limits — unless he's willing to risk his heart. Dante has always believed that love is the most dangerous force in the universe, but that was before he had to reckon with the magic of a certain small town, where miracles do seem to happen. Book Reviews On Blackberry Island, friendship, love and forgiveness are as constant as the ocean waves, if only you can make room in your heart for hope. Michelle Sanderson may appear to be a strong, independent woman, but on the inside, she 's still the wounded girl who fled home years ago. A young army vet, Michelle returns to the quaint Blackberry Island Inn to claim her inheritance and recover from the perils of war. Instead, she finds the owner 's suite occupied by the last

person she wants to see. Carly Williams and Michelle were once inseparable, until a shocking betrayal destroyed their friendship. And now Carly is implicated in the financial disaster lurking behind the inn 's cheerful veneer. Single mother Carly has weathered rumors, lies and secrets for a lifetime, and is finally starting to move forward with love and life. But if the Blackberry Island Inn goes under, Carly and her daughter will go with it. To save their livelihoods, Carly and Michelle will undertake a

turbulent truce. It ' ll take more than a successful season to move beyond their devastating past, but with a little luck and a beautiful summer, they may just rediscover the friendship of a lifetime. Books present innovative thinking on America's most pressing national security challenges. "Securing Cyberspace: A New Domain for National Security" is a collection of papers commissioned for the 2011 Aspen Strategy Group workshop, a bipartisan meeting of top national security experts. The papers examine the complexities of the emerging cyber threat, as well as the possibilities--and inherent challenges--of crafting effective domestic and international cyber policy. Authors explore topics such as the economic

impact of cybercrime, cyber as a new dimension of warfare, the revolutionary potential of Internet freedom, and the future realities the United States will face in the new age of heightened Internet connectivity. *Nightkeepers* HarperCollins Australia  
Elissa is having trouble changing a flat tire when she is caught off guard by a man offering her help. The man, who appeared out of nowhere, was Walker Buchanan, a handsome man who had recently moved in to the upstairs of her apartment. Not wanting to be in debt to a man, Elissa tries to refuse Walker's generosity. *Irresistible* is a popular spin-off

work that depicts love and hate of the Buchanan restaurant empire in Seattle and is now available as a manga! Also included in the book is a side story, *Loving Spoonful*.

HQN Books  
The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and

---

ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place

names. Getting Rid Of Bradley HQN Books After three romantic flame-outs in a year and a restaurant career going nowhere, Dani Buchanan needs a fresh start. She goes looking for her biological father, but never expects to find a senator running for president. As his long-lost "love child," Dani could seriously derail the election—something his handsome campaign manager Alex Canfield isn't going to let happen. Dani isn't about to let Alex run her life, no

matter how tempting she finds him—and Alex isn't going to allow Dani to melt his cynicism, no matter how close he has to get. The last thing either of them wants is love, especially with scandals brewing and family trouble on the way. But Dani and Alex are forced to trust each other, and when trust turns to passion, the potential for disaster is only a tabloid scandal away.
