Islamic Art is not a monolithic style or movement; it spans 1,300 years of history and has incredible geographic diversity—Islamic empires and dynasties controlled territory from Spain to western China at various points in history. However, few if any of these various countries or Muslim empires would have referred to their art as Islamic.

As a result, Islamic art was able to
flourish for another thousand years.
The formation of Islamic art owed a
great deal to Islam as a religion, but
it also reflected a sophisticated
secular culture. 'Islamic art' is
therefore a broad cultural term
rather than one based on an
exclusively religious definition. It is

Britannica

The area of Islamic culture extends
from western Africa to Malaysia,
Indonesia, and the Philippines, but its
heartland is Arabia, and the prime
importance and special authority of
the Arabic language were to remain
largely unquestioned after the spread
of Islam. The Arabic poetry of pre-
Islamic Arabia was regarded for
centuries afterward as the standard
model for all Islamic poetic
achievement, and it directly influenced
literary forms in many non-Arab
literatures.

Islamic Art is not the art of a
particular country or a particular
people. It is the art of a civilization
formed by a combination of
historical circumstances; the

conquest of the Ancient World by
the Arabs, the inforced unification
of a vast territory under the banner
of Islam , a territory which was in
turn invaded by various groups of
alien peoples.

Islamic Art: The Past and Modern
Through the exploration of a wide array
of media—from painting, sculpture, and
photography to video and multimedia—an
internationally renowned group of
scholars, collectors, artists, and curators
tackles questions such as whether the art
has to come from the Middle East,
whether it must have a religious
component, and, indeed, whether the
work of art must be made by a Muslim.

The history of art as it developed under
Islam is a wondrous phenomenon; the
arts reached a level that can be compared
to other canonical movements, as
significant as the Renaissance. The
consistency and continuity of the arts in
the Islamic milieu produced extraordinary
intellectual and aesthetical parameters
that continue to engage mankind.

Islamic Art The Met's collection of
Islamic art ranges in date from the
seventh to the twenty-first century.
Its more than 15,000 objects
reflect the great diversity and
range of the cultural traditions of
Islam, with works from as far
westward as Spain and Morocco
and as far eastward as Central Asia
and Indonesia.
