Map of Flames (The Forgotten Five, Book 1) Aladdin Lisa McMann, New York Times bestselling author of the Unwanteds, pulls out all the stops in this exhilarating third and final book in the Going Wild series! This middle grade adventure follows a group of kids with powers from the animal kingdom who form their own version of the Avengers and Justice League. Charlie, Mac, and Maria managed to rescue the Project Chimera scientists from the devious Dr. Gray, but they couldn't stop him. Now he's closer than ever to enacting his dreadful master plan to transform all of humanity into a monstrous new species. And even worse, Kelly has betrayed her friends and joined forces with him. To defeat their beastly foes, Charlie and the others are going to need help. Luckily, they just saved the creators of the bracelets that give them their unbelievable powers, and they're about to get an upgrade. With even fiercer abilities, it's finally time for these kids to unleash their wild sides and save the world. Perfect for fans of Rick Riordan and Brandon Mull—as well as anyone who loves superhero movies like Wonder Woman and Black Panther—Going Wild is an action-packed series that blends science fiction, fantasy, and the animal kingdom into one

unputdownable adventure.

Island of Fire Simon and Schuster

Philomena meets Orphan Train in this suspenseful, provocative novel filled with love, secrets, and deceit—the story of a young unwed mother who is forcibly separated from her daughter at birth and the lengths to which they go to find each other. In 1950s Quebec, French and English tolerate each other with precarious civility—much like Maggie Hughes ’ parents. Maggie ’ s English-speaking father has ambitions for his daughter that don ’ t include marriage to the poor French boy on the next farm over. But Maggie ’ s heart is captured by Gabriel Ph énix. When she becomes pregnant at fifteen, her parents force her to give baby Elodie up for adoption and get her life ‘ back on track ’. Elodie is raised in Quebec ’ s impoverished orphanage system. It ’ s a precarious enough existence that takes a tragic turn when Elodie, along with thousands of other orphans in Quebec, is declared mentally ill as the result of a new law that provides more funding to psychiatric

hospitals than to orphanages. Bright and determined, Elodie withstands abysmal treatment at the nuns' hands, finally earning her freedom at seventeen, when she is thrust into an alien, often unnerving world. Maggie, married to a businessman eager to start a family, cannot forget the daughter she was forced to abandon, and a chance reconnection with Gabriel spurs a wrenching choice. As time passes, the stories of Maggie and Elodie intertwine but never touch, until Maggie realizes she must take what she wants from life and go in search of her long-lost daughter, finally reclaiming the truth that has been denied them both.
