Del Rey

“Puns and playfulness reign supreme” as a demoness learns that big birds of a feather don’t flock together in the New York

Times—bestselling Xanth series (The Toronto Star).

Seeking a solution to a perplexing personal problem, the delectable

Demoness Metria asks for help from the wise Magician Humfrey. But before he will help her, she must perform a perilous mission: Rove the length and breadth of Xanth in search of a suitable jury for the trial of Roxanne Roc, a notably noble and virtuous bird charged with a most

improbable offense. Exciting, exhilarating, and brimming with hilarious high jinks, Roc and a Hard Place is Xanth at its most enchanting.

“[A] lighthearted series . . . many outlandish characters, adventures, jokes and plays on words.” —Publishers Weekly

Demons Don't Dream Open Road Media

Exciting, imaginative, and inspiring, *Hope of Earth* is the story of a group of heroic men and women, bound by ties of passion, honor, and blood, who struggle to transcend our violent past and forge and new and shinning future. In *Isle of Woman* and *Shame of Man*, the first two volumes of the monumental Geodyssey saga, bestselling author Piers Anthony chronicles the triumphs and tragedies of two remarkable families reborn again and again in some of the most turbulent eras of human history. Now, with *Hope of Earth*, Anthony brings us a stirring epic that ranges from our ancient

beginnings in Africa's Great Rift Valley to the windswept Andes a century from now, and includes some of history's most fascinating figures--the mysterious "Ice Man" of the Swiss Alps, the decadent King Herod, the British Warrior Queen Boudica, the Mongol Chieftan Tamurlane, and King Louis XIV of France. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Whole Story
Harper Collins

The only person in Xanth who has not been affected by a spell that reverses how people see each other, Kody must find a way to reverse the spell to turn Esrever Doom back into Reverse Mood.

Shame of Man Penguin

A young man must fight—literally—for the opportunity to escape his backwater home planet and journey to the stars. A towering young giant growing up on a high-gravity world of perilous plants and savage creatures, Carl Bok is thrilled when he's offered a one-year scholarship to Starschool. As a new student aboard the space-traveling institution, Carl will get the opportunity to visit and learn from sixteen colonized worlds. Best of all, he'll finally escape the dangerous and grueling life

of his home planet. A poor "country boy" cast among rich children of privilege, Carl perseveres as he and his classmates prepare to rocket from world to world. While he's still on Earth, however, an unexpected and desperate need for funds forces him to become a professional fighter, a job that well suits his massive size and experience. Carl hopes to earn the money he needs to continue with Starschool by battling a slew of human and bestial adversaries for the entertainment of others. But there are forces behind the scenes with an alien agenda that Carl can neither see nor comprehend—as he and a cadre of young companions undertake an educational odyssey that carries them from Earth to the astonishing artificial planet Construct to a war-torn world called Hell. A Science Fiction Grand Master, the acclaimed

author of *The Forever War*, and the winner of numerous awards including the Hugo and Nebula, Joe Haldeman collaborated with his brother, biologist and science fiction writer Jack C. Haldeman II, to create this gripping tale of a young man's self-discovery and remarkable intergalactic adventures.

Main entries by author, then series. Title and subject index also included.

There Is No Darkness
St. Martin's Griffin

Do you have to lose everything to see what truly matters? Find out in the seventh and final installment of Cynthia Voigt's Tillerman cycle. Dicey Tillerman has big dreams. She's started a boatbuilding business, and she's

determined to prove she can succeed on her own. That's why she resists the offer of help from Cisco, the mysterious stranger who turns up one day at her shop. But running a business doesn't leave much time for the people Dicey treasures—her grandmother, her younger siblings, and her boyfriend, Jeff. Then it turns out that Dicey has placed her trust with the wrong person. Suddenly she stands to lose everything....Has Dicey discovered too late what really matters to her? Cynthia Voigt deftly navigates nuances of identity and resilience in this triumphant conclusion

to her acclaimed
Tillerman cycle.

and children's fantasies still popular with adults. Written by subject experts.

Firefly Simon and Schuster

Simon de Montfort was a man ahead of his time in the thirteenth century, a disinherited Frenchman who talked his way into an English earldom and marriage with a sister of the English king, Henry III. A charismatic, obstinate leader, Simon soon lost patience with the king's incompetence and inability to keep his word, and found himself the champion of the common people. This is his story, and the story of Henry III, as weak and changeable as Simon was brash and unbending. It is a tale of opposing wills that would eventually clash in a storm of violence and betrayal—an

irresistible saga that brings the pages of history completely, provocatively, and magnificently alive.

The Woman Who Rides

Like a Man Del Rey

Sequels, the most popular and long-lasting guide to novels in series, returns with greatly expanded series listings. Mysteries continue to be a mainstay, with fantasy, science fiction, and romance listings, plus non-genre fiction selections from authors such as Edward Abbey and Lawrence Sanders. The authors have carefully sifted through a growing group of series to select those most likely to be available in a medium-sized public library, weeding out esoteric, obscure, and less popular series. This classic reference includes hundreds of annotated series, title and subject indexes, and suggestions

for reading order. Library professionals will find Answers to the perennial question, "What should I read next?" Guidance on the chronology of a series Easy-to-use tools to identify novels by character, setting, and author The definitive resource for novels in series Including series started since 1989 and updated through 2007, Sequels will be the most complete resource for general readers and library patrons as well as readers' advisors; public, university, and high school reference librarians; acquisition and collection management librarians; and even bookstore staff and book reviewers. The expanded Sequels, 4th edition, will become the RA and reference librarian's resource of choice Heaven Cent Simon and Schuster In When Christ and His

Saints Slept master storyteller and historian Sharon Kay Penman illuminates one of the lesser-known but fascinating periods of English history. The next addition in this highly acclaimed historical fiction series of the middle ages, and the first of a trilogy that will tell the story of Henry II and Eleanor of Aquitaine. When Christ and His Saints Slept begins with the death of King Henry I, son of William the Conqueror and father of Maude, his only living legitimate offspring. On a Pale Horse William Morrow & Company In this first novel of the Incarnations of Immortality, Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death.

This is a novel that will long linger in the reader's mind. Shooting Death was a mistake, as Zane soon discovered. For the man who killed the Incarnation of Death was immediately forced to assume the vacant position! Thereafter, he must speed over the world, riding his pale horse, and ending the lives of others. Zane was forced to accept his unwelcome task, despite the rules that seemed woefully unfair. But then he found himself being drawn into an evil plot of Satan. Already the prince of Evil was forging a trap in which Zane must act to destroy Luna, the woman he loved. He could see only one possible way to defeat the Father of Lies. It was unthinkable—but he had no other solution!

In the Hand of the Goddess
Simon and Schuster
The final volume in Robin Hobb's popular

Rain Wilds fantasy series, Blood of Dragons completes the story of the dragons, their keepers, and their quest to find the lost city of Kelsingra—and the mythical silver wells that the dragons need to survive. Can Tintaglia and the Elderlings unlock the secrets of the ancient city? Or are they doomed to extinction? The world of Robin Hobb's Rain Wilds series has been praised by Booklist as "one of the most gripping settings in modern fantasy," and Publishers Weekly called the Rain Wilds books "a meticulously realized fantasy tale" and "a welcome addition to contemporary dragon lore."

Blood of Dragons
Simon and Schuster
It is widely accepted that

the Viking Age (c. 800-1050) stimulated the development of long-distance, regional and local trade and exchange networks. The clearest archaeological evidence for these contacts is mainly in the form of silver artefacts predominantly found in hoards in Northern and Central Europe - the Baltic zone. However, beyond occasional national- or regional-level research, there have been no attempts at a historically guided comparative archaeological survey of the Baltic zone as a whole. By investigating silver hoards and the context of their deposition, *Viking Silver, Hoards and Containers* seeks to understand the variety of functions performed by hoards; the differences in function within regions; the hoards' relationship with trade; and the nature and function of emporia. It also examines the extent to which the findings mesh with literary evidence and the nature of the different societies benefiting from the influx of silver in the Viking Age. Crucially, the book features a catalogue, which provides a thorough overview and update of Baltic-zone hoards. *Viking Silver, Hoards and Containers* is intended for use by students of, and specialists in, early medieval, Viking and Slavic history and archaeology. However, it will also be a useful teaching resource for other general courses in archaeology, anthropology and

material culture, numismatics, economic history, religious studies, GIS and statistics.

The Reckoning Geodyssey,
1. Isle of Woman
Isle of Woman

The acclaimed New York Times bestselling author of *Dragon Keeper* returns with a second enthralling tale of dragons and humans, adventure and discovery, love and freedom. Centuries had passed since dragons last roamed the war-torn world of the Rain Wild River. But as peace once again settled upon the land, a lost generation of sea serpents—ancient, half-starved, and weary—returned to cocoon, certain that they would be reborn as the beautiful and powerful dragons of legend. But their arduous journey exacted a heavy toll, and the proud serpents emerged as sickly, half-formed beasts, unable to

fly or hunt . . . or thrive. For years now they have been trapped on a swampy riverbank between forest and river, hungry and barely alive, reliant on humans to provide for them. With their survival at stake, fifteen dragons—among them the wise golden Mercor, the haughty and dazzling silver-blue queen Sintara, and the delicate copper beauty Relpda—have set off on a dangerous trek into the unknown, up the Rain Wild River, in hopes of rediscovering the ancient Elderling city of Kelsingra, the lost haven for dragons and Elderlings alike. The dragons are accompanied by a disparate group of human keepers, rejects from Rain Wild society. They, too, yearn to find Kelsingra and create a home of their own, one in which they may make their own rules and decide their own fate. But is Kelsingra real or merely a fragment

of a glorified past buried deep in the dragons' shared memories? No map exists to guide them, and the noble creatures find their ancient recollections of little use in a land changed by generations of flooding and seismic chaos. As the dragons, the humans—including the strong and defiant Rain Wild girl Thymara; the wealthy dragon scholar and Trader's wife, Alise; and her companion, the urbane Sedric—and their magical supply barge, captained by the gruff Leftrin, forge their way ever deeper into uncharted wilderness, human and beast alike discover they are changing in mysterious and dangerous ways. While the bonds between them solidify, starvation, flashfloods, and predators will imperil them all. But dragons and humans soon learn that the most savage threats come from within their own company . . . and

not all of them may survive. Returning to the territory of her beloved Liveship Traders and Tawny Man trilogies, New York Times bestselling author Robin Hobb creates a lush and ultimately triumphant tale set in an imaginative world of magic and wonder as compelling and emotionally resonant as our own.
