Iso 9001 2008 Quality Manual

A common practice to create and maintain a Quality Manual for the ISO 9001:2008 standard (and earlier versions) was to create an exact copy of the verbiage in the standard, change all of the “ shall ” words with “ will ” or similar term that fits, change all references to “ the organization ” to the name of your company, slap a few logos on it, give it a control number and publish it.
