Welcome to Israel. Few places on earth stir up passion the way that Israel does: the breathtaking beauty of its hills and valleys, the eerie stillness of the Dead Sea, the multi-coloured canyon of Makhtesh Ramon, and the ancient walls and pathways of Nazareth and Jerusalem. The call of the muezzin and the quiet prayers of Orthodox Jews at the Western Wall reflect how the religious devotion of the Muslims, Christians and Jews who live here runs through every facet of life.

Israel has always been an alluring destination. From biblical times to present day, this slice of holy land in the Middle East has long attracted visitors. It has also attracted turmoil, as Israel has always been a politically sensitive and controversial country. Nevertheless, its appeal for visitors is enormous and the day-to-day issues facing residents have little effect on those coming to appreciate its astounding historic relics, impressive religious sites and exquisite natural beauty.
