Can We Talk About Israel? Penguin

Documented Proof of the Prophetic Promises of God Revealed Thousands of years ago, the prophet Zechariah foretold that the once-revered city of Jerusalem would again shake off its dust and be revived in peace and security. He predicted it would not only become a center of thriving life and seat of international influence but also the place where God himself will return to dwell. This stunning new photo-comparison book and follow-up to Israel Rising documents the long-awaited and ongoing restoration of a city "set in the center of the nations" (Ezekiel 5:5). From its famed walls and gates to the beloved Old City and the new city rising up around it, view some of the oldest photos of Jerusalem ever taken (starting in the 1840s) and see them re-created from the same perspective today some for the first time ever. Author Doug Hershey and adventure-travel photographer Edden Ram gained exclusive access to storied vantage points to reshoot the exact angles of these stunning and seldom-seen historical photos. The result is an awe-inspiring and groundbreaking collection that will captivate hearts and reveal the accuracy of the prophet's words. The book also features fascinating insights into Jerusalem's first photographers and firsthand accounts from pilgrims, locals, and would-be conquerors that capture the longing and desire for this treasured city, spanning almost 2,000 years. Indeed, the reawakening of the City of Peace is at hand.

Israel and Petra - Top 10 DK Eyewitness Travel Guide Dorling Kindersley Ltd

Sarah Glidden is a progressive Jewish American twentysomething who is both vocal about and critical of Israeli politics in the Holy Land. When a debate with her mother prods her to sign up for a Birthright Israel tour, Glidden expects to find objective facts to support her strong opinions. During her two weeks in Israel, Glidden takes advantage of the opportunity to ask the people she meets about the fraught and complex issue of the Israeli-Palestinian conflict, but their answers only lead her to question her own take on the conflict. Simple linework and gorgeous watercolors spotlight Israel's countryside, urban landscapes, and religious landmarks. With straightforward sincerity, lovingly observed anecdotes, and a generous dose of self-deprecating humor, How to Understand Israel in 60 Days or Less is accessible while retaining Glidden's distinctive perspective. Over the course of this touching memoir, Glidden comes to terms with the idea that there are no easy answers to the world's problems, and that is okay. This debut book landed on several best-of-the-year lists, including Entertainment Weekly's; earned a YALSA Great Graphic Novels for Teens distinction; and won an Ignatz Award. Her second book, Rolling Blackouts, which documents her experience shadowing journalists in Turkey, Iraq, Lebanon, and Syria, will also come out this fall from Drawn & Quarterly.

You'll find detailed maps, as well as listings of hotels, restaurants, shops, entertainment, tours, scenic walks, and more. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that brighten every page, DK Eyewitness Travel Guide: Jerusalem, Israel, Petra, and Sinai truly shows you this beautiful region as no one else can.

**Discover the Holy Land** HarperCollins

Israel Travel Guide. Israel has always been an alluring destination. From biblical times to present day, this slice of holy land in the Middle East has long attracted visitors. It has also attracted turmoil, as Israel has always been a politically sensitive and controversial country. Nevertheless, its appeal for visitors is enormous and the day-to-day issues facing residents have little effect on those coming to appreciate its astounding historic relics, impressive religious sites and exquisite natural beauty. Home to the Mount of Olives, the Sea of Galilee and the ancient port of Jaffa, it's hard to go anywhere in Israel without stumbling upon a place of religious significance. But nothing can compare to the holy city of Jerusalem. Sacred to Jews, Muslims and Christians alike, this ancient metropolis is claimed by both Israel and Palestine and its status remains one of the core issues of the Israeli-Palestinian conflict. Jerusalem's stunning skyline is a complete contrast to the touchy political landscape, with its beautiful bell towers, striking minarets and the golden dome of the Al-Aqsa Mosque. Split into Arabic, Jewish and Christian quarters, this cultural melting pot translates into a sumptuous culinary scene, as well as a feast for the eyes and experiences. Visually, Tel Aviv seems a world away from Jerusalem. Israel's commercial and political heart is a city of glistening skyscrapers, thronging streets and sandy beaches; of contemporary art galleries, excellent restaurants and hedonistic inhabitants. Quite a contrast, then, to neighbouring Jaffa, a historic port city of sprawling markets, cobbled docks and crumbling city walls. This juxtaposition of old and new is typical in Israel, where ancient cities like Nazareth and Acre exist alongside modern

metropolises such as Haifa (home to the Baha'i Gardens) and Eilat (a beach oasis unlike any other). Israel's landscapes are equally diverse. Mountains, deserts and fertile valleys can all be found in this sliver of the Middle East, while the Dead Sea, Red Sea, Sea of Galilee and Mediterranean coastlines offer everything from unique geological spectacles to seaside holiday resorts. If you can read beyond the headlines and see past the politics, you will find a beautiful and beguiling nation quite unlike anywhere else on Earth.

Insight Guides Israel (Travel Guide with Free Ebook) Moon Travel

From the expert who understands both sides of one of the world's most complex, controversial topics, a modern-day Guide for the Perplexed—a primer on Israel and the Israeli-Palestinian conflict. "Can't you just explain the Israel situation to me? In, like, 10 minutes or less?" This is the question Daniel Sokatch is used to answering on an almost daily basis as the head of the New Israel Fund, an organization dedicated to equality and democracy for all Israelis, not just Jews, Sokatch is supremely well-versed on the Israeli conflict. Can We Talk About Israel? is the story of that conflict, and of why so many people feel so strongly about it without actually understanding it very well at all. It is an attempt to grapple with a century-long struggle between two peoples that both perceive themselves as (and indeed are) victims. And it's an attempt to explain why Israel (and the Israeli-Palestinian conflict) inspires such extreme feelings—why it seems like Israel is the answer to “what is wrong with the world” for half the people in it, and “what is right with the world” for the other half. As Sokatch asks, is there any other topic about which so many intelligent, educated and sophisticated people express such strongly and passionately held convictions, and about which they actually know so little? Complete with engaging illustrations by Christopher Noxon, Can We Talk About Israel? is an easy-to-read yet penetrating and original look at the history and basic contours of one of the most complicated conflicts in the world.

Dad Tired and Loving It Fodor's Travel

Turner Travel Guides are the most up-to-date, reliable and complete city guides available. Travelers will find everything they need for an unforgettable visit, presented in a convenient and easy-to-use format. Each guide includes quick information on planning a visit, navigating the city, experiencing the local culture, exploring the beauty of the city and more! The State of Israel is a small yet diverse Middle Eastern country bordered by Egypt and the Gaza Strip to the southwest, by the West Bank and Jordan to the east, and by Syria and Lebanon to the north. The country has a long coastline on the eastern Mediterranean Sea, and very limited access to the Red Sea at the Gulf of Aqaba (often called the Gulf of Eilat in Israel). Since 1967, Israel has controlled most of the West Bank (often called "Judea and Samaria" in Israel) as well as the Golan Heights. Israel has annexed East Jerusalem and the Golan, but most countries reject the annexation, and consider these areas and the West Bank (which Israel did not annex, and Israeli law does not apply to the area) to be illegally occupied.

DK Eyewitness Travel Guide Jerusalem, Israel, Petra and Sinai Independently Published

The Holy Land is much more than places and historical artifacts; it's an experience . . . an experience that is spiritual in nature for those with eyes to see. This book is designed to give you eyes to see what most people don't. It uncovers the riches and treasures of the Holy Land, so you can experience and be transformed by it. At each biblical site, this book will provide you with information about the location, historical background, places of interest, Bible verses, Bible teaching, a faith lesson, and a place for journaling and note-taking. This book will bring the Holy Land to life as you understand more fully the biblical context in which it took place. It also provides helpful travel orientation info at the end.

Israel Travel Guide, Summer 1961 Fodor's Essential Israel

A travelers guide to all the Christian holy sites in Israel. Each biblical site in the book provides information on the location, historical background, places of interest, Bible verses, Bible teaching, faith lesson, and a place for journaling and note taking.

Lonely Planet Pocket Jerusalem & Tel Aviv Rough Guides

This travel guide focuses on places that Holy Land tour groups typically visit and gives major attention to connections between the Bible and the land. The Holy Land is understood to overlap both present-day Israel and Jordan, so places like Gilead, Mount Nebo, Bethany-beyond-the-Jordan, and Petra are included. And while the biblical periods and biblical connections remain in the forefront, these are explored in the context of the Holy Land's long and fascinating history. Ancient "tells" dating back to the Bronze Age, colonnaded streets and temples from Hellenistic and Roman times, early Christian pilgrimage destinations, Crusader castles, Mamluk and Ottoman fortifications—all illustrated with chronological charts, maps, site plans, and photographs.

DK Eyewitness Vienna Simon and Schuster

The Best and Most Unique Israel Travel Guide When you decide to choose Israel for your next holiday, you know that you are in for the best experience of your life. There are so many things to see and discover in Israel, with the mix of new and old being almost intoxicating. History tells us that this is a relatively new country, despite being located on what can only be described as an ancient land. Israel is the country where three religions meet

Israel Travel Guide 2022 Jewish Lights Publishing

Do You Want to Be a Spiritual Leader? Start Here Have the day-to-day realities of being a dad and husband left you frustrated or just plain worn out? You're not alone. Jerrad Lopes felt that way too...until he started blogging about his struggles and discovered thousands of other men who want to be good husbands and fathers but don't know where to start. You will learn that spiritual leaders realize their story isn't the story—it's all about Jesus point their wives, children, community, and world toward God stumble their way through spiritual leadership rather than doing nothing seek humility rather than striving for perfection refuse to let their sin and shame stop them from leading their family look for adventure in the kingdom of God, not in the world create gospel-centered memories with their wife and children When you begin to understand the bigger picture of God's purpose for you in your marriage and family, you'll see that the good news of Jesus makes it possible for you to love and lead without fear and discouragement. Get equipped and encouraged as you become the man God is calling you to be—even when you're dad tired.

---

Israel and the Church Apa Publications (UK) Limited

Winner of the Jewish Book of the Year Award The first comprehensive yet accessible history of the state of Israel from its inception to present day, from Daniel Gordis, "one of the most respected Israel analysts" (The Forward) living and writing in Jerusalem. Israel is a tiny state, and yet it has captured the world's attention, aroused its imagination, and lately, been the object of its opprobrium. Why does such a small country speak to so many global concerns? More pressingly: Why does Israel make the decisions it does? And what lies in its future? We cannot answer these questions until we understand Israel's people and the questions and conflicts, the hopes and desires, that have animated their conversations and actions. Though Israel's history is rife with conflict, these conflicts do not fully communicate the spirit of Israel and its people: they give short shrift to the dream that gave birth to the state, and to the vision for the Jewish people that was at its core. Guiding us through the milestones of Israeli history, Gordis relays the drama of the Jewish people's story and the creation of the state. Clear-eyed and erudite, he illustrates how Israel became a cultural, economic and military powerhouse—but also explains where Israel made grave mistakes and traces the long history of Israel's deepening isolation. With Israel, public intellectual Daniel Gordis offers us a brief but thorough account of the cultural, economic, and political history of this complex nation, from its beginnings to the present. Accessible, levelheaded, and rigorous, Israel sheds light on the Israel's past so we can understand its future. The result is a vivid portrait of a people, and a nation, reborn.
