Understanding Structural Behaviour - Solution to a question on a cranked cantilever
The IStructE's exam is all about preparation. The actual engineering behind it is fairly straightforward. Consider the exam like running a marathon: If you step out of the door right now and set off on a 26 mile run, there is a good chance you would not cross the finish line. However, if you put the time in and train yourself, gradually running longer distances over a period of time, the full ...
