Introduction. The IStructE Chartered Member Examination is one of the most difficult, gruelling, and most importantly, unique exams you may ever have to take. Most candidates who take this exam are surprised by just how intense it is, and will attempt several IStructE past papers as part of their preparation. We do not want anyone to fail their IStructE Exams - and for that reason we always recommend that you complete some past papers in order to understand just how difficult it is.
