Winning Strategies for Business is a comprehensive strategic management resource that brings together all the business tools that managers need for surviving business challenges and succeeding in the dynamic economic environment of today. The recent global economic crisis has alerted the business world to the need for maintaining a strategic edge through productivity enhancement, cost management and product innovation. The book provides a holistic and contemporary lesson on strategic management by encompassing areas like strategy development, new economic policy, strategies for survival, competitive advantage, growth, mergers, globalization, innovation, and portfolio management. The author also brings

together numerous examples and case studies on companies like Infosys, Reliance, Biocon and Amul to explain how organizations have faced and dealt with business and economic challenges.

This book provides a wealth of detailed information that collectors, investors, and restorers of imported cars will not find in any other book. This massive volume spans the marques of imported vehicles. The list includes such familiar names as Alfa Romeo, Aston Martin, Bentley, Citroen, Jaguar, Lamborghini, Porsche, Rolls-Royce, Saab, and Volkswagon. Also in these pages, you'll find details on such lesser-known yet no less intriguing marques as Abarth, DAF, Frazer Nash, Humber, Iso, Nardi, Panhard, Peerless, Sabra and Skoda. The book also highlights model changes and corporate histories and provides value information on the most popular models of imported cars.
