A Novel One Point Six Technology Pvt Ltd

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Too Many Stories Not to Tell James Pinnick

One day I woke up and realized that I had been lost for quite some time. I had got comfortable with how life was treating me. I no longer cared about how I presented myself, stuck between life and death, you know Purgatory. The real me had left long ago and the figure that I saw before me was just a shell that protects me until I could be found again. I had everything a woman could ask for and more yet somehow and somehow I forgot about myself and ended up in the purgatory of living. When I had my epiphany, I discovered some things that I should have seen all along but was too busy allowing life to consume me that I didn't care to pay attention. You know, taking care of kids, husband, family, work, friends and oh yeah, then me if I'm not too tired... Me! One day I found myself on the outside of the milk carton... Lost, hanging in the purgatory of living. It was the shock of my life yet not a shock for everyone else. Most often others can see what's going on in your life even when you cannot (or you think you do). Don't let that to happen to you or to allow it to continue. You can step out of the purgatory of living and into a new beginning. It could be easier than you think it is. For me... I have some changing to do and the changing can only be done by me for me. I cannot change you or the rest of the world but we can help each other with the process of changing for the better.... TOGETHER! And look who we shall find! (You and me too) Let's begin... how did I lose myself?

Fahrenheit 451 Seal Press (CA)

"The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book's appeal to a wider audience, primarily women who are not into technology."DARK END OF SPECTRUM will make you think twice before turning on your cell phone or PDA!DARK END OF THE SPECTRUM is a frighteningly plausible and headline ripping tale of the real threats that loom in cyberspace and beyond with a Michael Crichton realism. Based on the author's years of research into the hacker culture.DARK END OF THE SPECTRUM is a thriller that will connect with everyone with a cell phone, PDA or wireless device.When a group of digital terrorists known as ICER take over the US power grid and the cell phone network, they give the government an ultimatum - bomb the borders of Afghanistan and Pakistan with nuclear weapons to put an end to Al-Quada or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. When ICER sends a pulse that will kill millions on the East Coast, only security expert Dan Riker can stop them, but ICER has kidnapped Dan's family.Will Dan save his family or will millions die?

The Amazing Adventures of Dietgirl Clarkson Potter

A Top Ten Nonfiction Book of 2005 (Entertainment Weekly) For any woman who has ever had a love/hate relationship with food and with how she looks; for anyone who has knowingly or unconsciously used food to try to fill the hole in his heart or soothe the craggy edges of his psyche, *Fat Girl* is a brilliantly rendered, angst-filled coming-of-age story of gain and loss. From the lush descriptions of food that call to mind the writings of M.F.K. Fisher at her finest, to the heartbreaking accounts of Moore's deep longing for family and a sense of belonging and love, *Fat Girl* stuns and shocks, saddens and tickles. "Searingly honest without affectation... Moore emerged from her hellish upbringing as a kind of softer Diane Arbus, wielding pen instead of camera."—The Seattle Times "Frank, often funny—intelligent and entertaining."—People (starred review) "God, I love this book. It is wise, funny, painful, revealing, and profoundly honest."—Anne Lamott "Judith Moore grabs the reader by the collar, and shakes up our notion of life in the fat lane."—David Sedaris "Stark... lyrical, and often funny, Judith Moore ambushes you on the very first page, and in short order has lifted you up and broken your heart."—Newsweek "A slap-in-the-face of a book—courageous, heartbreaking, fascinating, and darkly funny."—Augusten Burroughs

Dark End of the Spectrum Simon and Schuster

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy—especially after twelve years. Forbes isn't the same young man. He found his adventure—and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we

know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Fat Girl It Was Me All AlongA Memoir

The author, an executive coach, has traveled the globe working for several top organizations that have included Amazon, Verizon Business, AT&T, British Telecom and Reliance Communications. Her latest book distills a lifetime of learning and development to craft a manual for personal and executive growth. Whether you're a CEO or a grunt in the mail room, who you believe you are determines what you achieve. Steve Jobs understood this principle from his study of Zen Buddhism. By following its precept of "Beginner's Mind," he cut through the resistance to new ideas and his inventions became the cornerstone for the world's first trillion-dollar company.An extension of that concept means having the courage to accept "What is, is," or being "accountable" for one's results, positive or negative. In our personal and corporate life, we are confronted with varied circumstances, and there is always a choice of how to perceive them: Acceptance or Resistance. Acceptance results in clear thinking and decisive action; resistance arises from repressed thinking or unconscious impulses. This leads to what the author calls a syndrome of deny-defend-deflect and disastrous decision-making. Virginia Smith has acquired such insights from her corporate Learning and Leadership Development experience. *It Was Me All Along* also follows her spiritual journey that like Steve Jobs became an intricate part of her objective approach to life and business affairs. The ancient Greeks subscribed to the maxim: "Know thyself," or self-awareness through self-reflection. In today's hectic world, we often act or react too quickly, impeded by subjective thinking. Smith provides an objective approach to cure personal and corporate self-indulgence.

The young food blogger behind CanYouStayForDinner.com shares her inspirational weight-loss story, describing how in just over a year she lost more than half her size and established a healthier self-image and relationship with food.

Becoming Zara Penguin

ONE OF NPR ' S BEST BOOKS OF 2019 A " warm and funny and honest...genuinely unputdownable " (Curtis Sittenfeld) memoir chronicling what it ' s like to live in today ' s world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he had to change his life. When he was almost fifty years old, Tommy Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn ' t go the way he planned—in fact, he wasn ' t sure that he really wanted to change. In *The Elephant in the Room*, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay ' s *Hunger* with the intimacy of Rick Bragg ' s *All Over but the Shoutin '*. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America ' s " capital of food porn, " and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. " What could have been a wallow in memoir self-pity is raised to art by Tomlinson ' s wit and prose " (Rolling Stone). Affecting and searingly honest, *The Elephant in the Room* is an " inspirational " (The New York Times) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. " Add this to your reading list ASAP " (Charlotte Magazine).

Regan Stone Series Book One Random House Trade Paperbacks

George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times.

Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought

Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

He Loves Me He Loves Me Not CreateSpace

An editor at This American Life reveals the searing story of the secret binge-eating that dominated her adolescence and shapes her still. “ Her tale of compulsion and healing is candid and powerful. ” —People NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE For almost thirty years, Susan Burton hid her obsession with food and the secret life of compulsive eating and starving that dominated her adolescence. This is the relentlessly honest, fiercely intelligent story of living with both anorexia and binge-eating disorder, moving past her shame, and learning to tell her secret. When Burton was thirteen, her stable life in suburban Michigan was turned upside down by her parents’ abrupt divorce, and she moved to Colorado with her mother and sister. She seized on this move west as an adventure and an opportunity to reinvent herself from middle-school nerd to popular teenage girl. But in the fallout from her parents’ breakup, an inherited fixation on thinness went from “ peculiarity to pathology. ” Susan entered into a painful cycle of anorexia and binge eating that formed a subterranean layer to her sunny life. She went from success to success—she went to Yale, scored a dream job at a magazine right out of college, and married her college boyfriend. But in college the compulsive eating got worse—she’d binge, swear it would be the last time, and then, hours later, do it again—and after she graduated she descended into anorexia, her attempt to “ quit food. ” Binge eating is more prevalent than anorexia or bulimia, but there is less research and little storytelling to help us understand it. In tart, soulful prose Susan Burton strikes a blow for the importance of this kind of narrative and tells an exhilarating story of longing, compulsion and hard-earned self-revelation.

With One More Look at You Hudson Jade & Steele Publishing

This book is uniquely original and can be personalized with any girl's name. How fun is that? Think of the possibilities: baby or shower gifts, birthdays, a special something from grandma, and more. You can purchase the book as shown, using Faith in the title, or personalize it to suit your specific needs. In her inspiring New York Times bestselling memoir, *It Was Me All Along*, Andie Mitchell chronicled her struggles with obesity, losing weight, and finding balance. Now, in her debut cookbook, she gives readers the dishes that helped her reach her goals and maintain her new size. In 80 recipes, she shows how she eats: mostly healthy meals that are packed with flavor, like Lemon Roasted Chicken with Moroccan Couscous and Butternut Squash Salad with Kale and Pomegranate, and then the “ sometimes ” foods, the indulgences such as Peanut Butter Mousse Pie with Marshmallow Whipped Cream, because life just needs dessert. With 75 photographs and Andie’s beautiful storytelling, *Eating in the Middle* is the perfect cookbook for anyone looking to find freedom from cravings while still loving and enjoying every meal to the fullest.

The Courage to Accept 'What Is' and Be Accountable for Results Sally Henson

After undergoing gall bladder surgery at age twenty-three, Jennette Fulda decided it was time to lose some weight. Actually, more like half her weight. At the time, Jennette weighed 372 pounds. Jennette was not born fat. But, by fifth grade, her response to a school questionnaire asking “ what would you change about your appearance ” was “ I would be thinner. ” Sound familiar? *Half-Assed* is the captivating and incredibly honest story of Jennette’s journey to get in

shape, lose weight, and change her life. From the beginning—dusting off her never-used treadmill and steering clear of the donut shop—to the end with her goal weight in sight, Jennette wows readers with her determined persistence to shed pounds and the ability to maintain her ever-present sense of self.

FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

After the writing stopped, delusion and denial lead to poverty. long term joblessness and self-imposed exile. Returning to himself would take 15 years in a journey spanning from California Wine Country to the South African veld. This is his story.

[A Guide for Capturing Your Memories and Telling Your Stories](#) Simon & Schuster

A yet heartbreakingly honest, endearing memoir of incredible weight loss by a young food blogger who battles body image issues and overcomes food addiction to find self-acceptance. All her life, Andie Mitchell had eaten lustily and mindlessly. Food was her babysitter, her best friend, her confidant, and it provided a refuge from her fractured family. But when she stepped on the scale on her twentieth birthday and it registered a shocking 268 pounds, she knew she had to change the way she thought about food and herself; that her life was at stake. *It Was Me All Along* takes Andie from working class Boston to the romantic streets of Rome, from morbidly obese to half her size, from seeking comfort in anything that came cream-filled and two-to-a-pack to finding balance in exquisite (but modest) bowls of handmade pasta. This story is about much more than a woman who loves food and abhors her body. It is about someone who made changes when her situation seemed too far gone and how she discovered balance in an off-kilter world. More than anything, though, it is the story of her finding beauty in acceptance and learning to love all parts of herself.

Empty Penguin

Naji is a loose cannon addicted to gunsmoke, fast money, and making it happen at all costs.

Nathan is college bound and determined to escape the streets. Gotta is a smooth talking playboy with a sweet tooth for teenage girls. Nikki the lone female in the family is beautiful, ambitious, and just as wild as her brothers. How else could she control them. K.K. the baby boy is 7 going on 25 and too grown for his own good. Journey with this family as they rescue Young Savage, encounter beef, internal conflict, and situations that test their love and loyalty to each other .
