Etsy is an online retail community just like eBay only that it focuses on vintage or handcrafted commodities. Most of the goods sold there are in the jewelry, arts, crafts, housewares, artisan candies, baked goods, or paper-goods categories. For an item to qualify as vintage it has to be at least 20 years old and can be anything from photos, costumes, housewares, jewelry, and clothing. Etsy provides a great avenue for you to sell your homemade goods—but that's not all. You can find a limitless number of items on Etsy that will help your home business. For instance, if you use The Happy Planner, Filofax, or Erin Condren to schedule and organize your life or business, there are downloadable stickers and inserts that you can buy and use in your
