In the hood, a snitch is the worst thing a person can possibly be. Rolling over on your best friend, who has been with you through thick and thin, hungry and full, freedom and state bids—that's "the cruelest lie told in silence." In this tale that plucks the innermost chords of emotion, jealousy turns to envy then to backstabbing as we observe two friends who have struggled together, hustled together, and endured separate prison terms. While Jovan experiences the fruits of the hustle during his partner's first stint, Bilal humbly does his time like a true soldier, taking a manslaughter charge for his one true friend. When these two are finally reunited on the streets, a chain of events lands them both behind bars facing multiple charges. Will their friendship survive the broken bond of brotherhood, or will dishonor come before death?

When we first meet Payson Wright she is standing frozen with fear on a clear platform jutting out over the Grand Canyon almost a mile in the air. Fear of Heights is the story of Payson, a 43 year old woman whose adventurous trip across the country turns into a remarkable journey of self-discovery. Payson is tasked with driving her sister's 130 pound dog, Yeti, from her home in Washington, DC to Los Angeles, CA where her sister has relocated. The trip will take only ten days but what Payson finds along the way will change her life forever. Although pit stops include a visit to the wacky Corn Palace in South Dakota and a memorable night in Mount Rushmore, not all Payson's detours are of the travel variety. A brief stay in the Badlands of South Dakota proves that sometimes the most forbidding and desolate places on the planet can yield the biggest rewards.

Josh Wolf--one of the stars and writers of Chelsea Lately and After Lately--delivers a hilarious collection of essays that reminds us all what it takes to conquer fatherhood without sacrificing manhood. Struggling to make it as a stand-up comic didn't always fit with being a single parent. But Josh figured out his own set of

rules--through trial and (frequent) error. Early picking up kids from school? The nearby strip club is a great place to kill time and bond with some like-minded dads. Want a drunken heart-to-heart with your son? First make sure there's no Sharpie around in case you pass out. Wondering where to take that special someone at the end of the night? Remember that no sane woman will have sex with you in a one-bedroom apartment where your kids are sleeping--even if you promise to be really, really quiet. Whether it's revealing the secrets to limitless hookups (hint: it's single moms) and getting rid of your children's friends that you just can't stand (hint: it's not single moms), or blackmailing PTA members and ignoring health codes, Josh is sure to impart some parenting wisdom along the way. Or at least have a good time trying.

Fear and Loathing in Las Vegas

Cambridge University Press

One night can last a lifetime... It was too good to be true. On the night I decide to put myself out there again, I meet a sexy doctor who wants to take me back to his place. The connection! The sparks! We had it all. I had to see him again. So imagine my surprise when I go in for a routine exam and the doc from last night steps in. He says we can't be together. He'd be risking everything. I say no problem. I'll switch doctors. We try to make it work. But his hectic schedule leads to a lot of canceled dates and hurt feelings. It seems like the universe is telling us a relationship is a bad idea. But two pink lines on a pregnancy test might force our hand. If he can't even find time for me, how are we going to make a baby work?

The Desert Rose Heather C Myers

The original bestseller that created controversy in its "tell all" style. A 30-year casino executive takes you beyond the facade of flashing neon, providing a rare perspective that few players ever see.

Leave This Town Shubham Srivastava

The town vet has captivated Aiden De La Fuente since the day they met, but the wedding band around her finger made it clear she was off limits. However, everything isn't always as it seems, and all bets are off once Aiden discovers the truth behind her marriage. With the woman he

loves within his grasp, nothing will stand in his way...except his best friend, who complicates things further. Meeting the love of her life while wearing another man's ring isn't something Sarah O'Connell ever expected. But things aren't always as they seem, and faced with the possibility of losing Aiden, Sarah entrusts him with the reality of her situation, and her heart. A decision she may soon come to regret. Desire ignites and emotions flare as Aiden and Sarah fight through the constant obstacles in their path, but suspicions and mistrust may shatter them both, ending their future before it can truly begin.

LeRoy Neiman was arguably the world's most recognizable contemporary artist until his passing in June 2012. He broke the barrier between fine art and popular art while creating indelible images that helped define the twentieth century. But it is the life he lived and the people he knew that make the memoir of this scrappy Depression-era kid who became a swashbuckling bon vivant with the famous mustache such a marvelous historical canvas. Chronicler and confidant of Muhammad Ali, Neiman also traveled with Sinatra, cavorted with Dalí and Warhol, watched afternoon soaps with Dizzy Gillespie, played in Sly Stallone's Rocky movies, exchanged quips with Nixon,

smoked cigars with Castro, and experienced the terrorist attacks at the Munich Olympics alongside Peter Jennings, Howard Cosell, and Jim McKay. And then there was his half-century relationship with Hugh Hefner as principle artistic contributor to Playboy, setting up studios in London and Paris to cover his Playboy beat, "Man at His Leisure," and his creation of the Femlin, the iconic Playboy nymphette. With his life's work, and in *All Told*, LeRoy Neiman captured sports heroes, movie stars, presidents, dishwashers, jet-setters, jockeys, and more than a few Bunnies at the Playboy Mansion—a panoramic record of society like no other. It Takes Balls Beacon Press
Pulitzer Prize-winner Larry McMurtry writes novels set in the American heartland, but his real territory is the heart itself. His gift for writing about women—their love for reckless, hopeless men; their ability to see the good in losers; and their peculiar combination of emotional strength and sudden weakness—makes *The Desert Rose* the bittersweet, funny, and touching book that it is. *Harmony* is a Las Vegas showgirl with the best legs in town. At night she's a lead dancer in a gambling casino; during the day she raises peacocks. She throws her love away on second-rate

men, but wakes up in the morning full of hope. She's one of a dying breed of dancers, faced with fewer and fewer jobs and an even bleaker future. Yet, she maintains a calm cheerfulness in that arid neon landscape of supermarkets, drive-in wedding chapels, and all-night casinos. While Harmony's star is fading, her beautiful, cynical daughter Pepper's is on the rise. But Harmony remains wistful and optimistic through it all. She is the unexpected blossom in the wasteland, the tough and tender desert rose. Hers is a loving portrait that only Larry McMurtry could render.

Thomas finds himself in a complicated situation. He was recently the willing "victim" of a flirtation that a man had the audacity to try on him. Their sensual game, intended to be harmless at first, revealed sexual attraction to someone of his own sex. But Thomas has been married to Clarine for 10 years, and a lie would jeopardize their relationship. Thomas has not provoked the circumstances that led him to question his sexual orientation or to cross the red line. But he has broken his promise to remain faithful to Clarine by giving in to the carnal desires he shared with Jean. He finds himself at a dead end, having savored every moment of this

brand-new sexual experience. On another continent, Fabienne interrupted her working day early. When she returned home, she found Manon, her partner, in their marital bed, having intimate relations with a stranger. Betrayed, Fabienne left Manon on the spot and flew out of Paris. She sought refuge on the other continent with Clarine, who was facing her own marital difficulties. In this novel, we follow the journey of our characters as they struggle to regain control of their lives. The novel explores the themes of love and homosexuality. It celebrates the courage, perseverance, and resilience of its characters. Readers who enjoy romance and drama will be captivated by this touching story.

The produce aisle isn't usually my go to for meeting women. But that's where I found the girl of my dreams. I never thought a toppled fruit display could change my life. But Ashley's mishap made more than apples fall that day. She's only visiting from Vegas for a week. This chance meeting can't turn into something long-term. I'm a reserved accountant from a small town. She's an adventurous flight attendant jet-setting the globe. But my predictable life feels like it's spinning out of control. Her beauty and laughter bring out a side of me I didn't know existed. One that has me sprinting and having food fights. And trust me—I don't run... ever. When her trip gets extended, she needs a place to stay. Lucky for me, my apartment has an open room. She's dancing down the hallway... And drawing me in with every step. Risking my heart for Ashley is the ultimate gamble. But maybe it's time I go all in for love.

From the New York Times bestselling author of the Wind Dragons and Cursed Ravens MC series comes trouble in the form of a renegade. "The perfect mixed of sass, steam, and

suspense!" -United Indie Book Blog Good girl Isabella wouldn't miss the birth of her sister's baby for the world. So when her car breaks down and one of the bikers next door offers her a ride to Vegas, it's too tempting to pass up. Besides, she can think of worse travel conditions than wrapping her arms around Renny, otherwise known as Renegade. Tall, dark and handsome, the man is pure sex on a Harley. Between wild parties and rumbling motorcycles, living next to the Knights of Fury MC has always left Isabella curious, but after a night in Vegas, she gets a firsthand taste. Drinks in the club surrounded by burly bikers soon turns into a series of daring decisions, which don't seem so bad until she wakes up the next morning. Married. To Renny. Could she be more of a cliché? Nothing complicates an annulment like lingering temptation, especially when Isabella and Renny give in to their need, putting their marriage where their mouths are. But as Isabella learns what outlaw life is really like, she'll have to decide if she's in love with a biker—or in over her head. Note to Self --Do NOT bang your
best guy friend in the limo on
the way to the swanky Vegas
hotel. I give myself very good
advice. Too bad I suck at
taking it. If only Colin and I
hadn't drunk so much whiskey,
if only I'd kept that red
bikini in my suitcase, if only
his evil ex-girlfriend hadn't
come sniffing around making me
feel territorial and
protective. Not that my bad boy
rock star best friend is any
help. Walking around looking
ridiculously sexy, telling me
I'm perfect in that panty-
melting voice of his when we
both swore we'd never do
anything to put our friendship
at risk. And Colin never breaks
a promise. But then, he has no
idea I've secretly been in love
with him for years. I guess I
should just enjoy the ride, but
I can't stop thinking about
what happens when this vacation
ends and I head home alone,
nursing one hell of a bangover...
The Bangover is a red-hot,
laugh out loud rom-com
featuring two best friends on a
collision course with Vegas-
flavored disaster--and each
other. It stands alone. No
cheating or cliffhangers.

"Switching Addictions" reveals
snapshots of Marilyn Lancelot's
life before she realizes it is
possible to switch one
addiction for another. Her
first book, "Gripped by
Gambling," chronicles her
descent into compulsive

gambling, followed by years of recovery. This book builds on that material, following Lancelot as she so easily slips into new addictive behavior patterns. Including helpful articles from Lancelot's friends and counselors, "Switching Addictions" aims to offer hope and strength to the addict, to their family members, and to those who have questions regarding their own behavior. Lancelot has included meaningful Bible verses, inspirational quotes, and a glossary of terms frequently used in recovery programs. Ultimately, Lancelot realizes that the roots of her different addictions are connected. This realization has allowed her to make many positive changes in her life in recent years. Anyone can change, and "it's never too late to find recovery and begin a new life."

Las Vegas Behind the Tables!

Gollehon Books

A dazzling novel about the inextricable link between the personal and the political set against the decadence of Hollywood and postwar Los Angeles As a Hungarian immigrant working as a studio hack writing monster movies in 1950s Hollywood, George Curtis must navigate the McCarthy-era studio system filled with possible communists and spies, the life of closeted men along Sunset Boulevard, and the inability of the era to cleave love from persecution and guilt. But when Madeline, a famous actress, offers George a writing residency at her estate in Malibu to work on the political writing he cares most deeply about, his world is blown open. Soon Madeline is carrying George like an ornament into a class of postwar L.A. society ordinarily hidden from men like him. What this lifestyle hides behind, aside from the monsters on the screen, are

the monsters dwelling closer to home: this bacchanalia covers a gnawing hole shelled wide by the horror of the war they thought they'd left behind and the glimpse of an atomic future. It's here that George understands he can never escape his past as György, the queer Jew who fled Budapest before the war and landed in New York, all alone, a decade prior. Spanning from sun-drenched Los Angeles to the hidden corners of working-class New York to a virtuosic climax in the Las Vegas desert, *The Future Was Color* is an immaculately written exploration of postwar American decadence, reinventing the self through art, and the psychosis that lingers in a world that's seen the bomb.

From Canada with Love Rowman & Littlefield

In the aftermath of their Stanley Cup victory, Chris and Natalie find themselves entangled in a whirlwind Vegas marriage that challenges them to gamble on love or risk losing it all under the dazzling lights. As the Newport Beach Seagulls claim their first Stanley Cup victory, star player Chris Worthington finds the championship brings more than just glory—it reignites a past he can't escape.

Meanwhile, Natalie Bowman, an ambitious executive still smarting from a recent breakup, gets swept into the celebrations. The wild nights in Vegas promise a temporary escape, but when their paths cross, the spark between them ignites a fire neither can deny. Natalie, grappling with betrayal and seeking liberation from her structured life, finds Chris's wild, carefree spirit both a thrill and a threat to her fragile heart. Chris, accustomed to the uncomplicated company of fans and the adrenaline of the game, finds Natalie's resilience and intellect an unexpected challenge. As the lights of Vegas dazzle, and the shadows of past relationships loom, Chris and Natalie must decide if what happens in Vegas will stay in Vegas, or if they're playing for keeps. Will the glitzy nights forge a lasting bond, or will old wounds and new challenges force them back to solitary paths? *Wedding Rings & Champions* is an accidental Vegas wedding hockey romance full of unexpected love, the power of healing, and the thrill of victory, both on the ice and off.

All Told Harlequin

The purpose for writing this book is to let people know no matter what they have gone

through, there is hope and a light at the end of the tunnel. I would have lost all hope many times in my life, but something inside of me said someday my life will be happy. My latter days will be greater than the former. I held on to that belief. With God all things are possible to them who believe! You'll get there if you don't give up! My heart no longer aches because of the things that have happened to me. The hurt, rejection, bitterness, and anger are all gone. I have been restored. I can now believe that God can love me, and I receive His love. He has brought me into a deep, intimate relationship with the person of Jesus. I pray you rise higher and overcome every obstacle in your life, and that He help you to forget your trouble.
