Iveco Daily - Wikipedia

The Daily delivery vans and cab-chassis derivatives have claimed a lot of firsts during the past 30 years and maker Iveco is just as chuffed with the latest range. The chassis frame on a light commercial vehicle, direct-injection turbodiesel engines, a 17cum van with 210cm interior height, common-rail diesel injection and even an engine that (in Europe) runs on natural gas are

I am having trouble with 2008 Iveco Daily 50C18, which I use as a recreational vehicle. It's only done 16,000 km in 2? years, but has spent much of that time at Iveco dealers. Two of these problems have resulted in very scary and dangerous incidents that could have caused major accidents, risking lives. I have contacted Iveco, but they are not being helpful.

Info. For many car parts, such as engines and cylinder heads, it is important that you specify the correct motor code on your request. The engine code is usually stamped somewhere into the engine block. The first 4 or 5 letters / numbers usually provide enough technical information for a car parts supplier to find the right engine related car part for you.
