Iveco Daily 65c15 EDC warning light comes on after engine has been running for a while. Solid warning light, not blinking. Just wondering exactly what the EDC warning light is an indication of and wondering how worried I should be.-----Also having problems with cold start. Can't get it to work, no light comes on the dash.

How to deal with a check engine light on an Iveco  
The Iveco Daily is normally a very reliable vehicle and we can testify to that fact having owned two of the vehicles and knowing a lot of people who use similar vehicles to ours. We are aware that there is a significant cost relating to the computer application that is used as the diagnostic tool. The Iveco Assist program is excellent.
