The Iveco Daily is normally a very reliable vehicle and we can testify to that fact having owned two of the vehicles and knowing a lot of people who use similar vehicles to ours. We are aware that there is a significant cost relating to the computer application that is used as the diagnostic tool. The Iveco Assist program is excellent.

Iveco Daily 65c15 EDC warning light comes on after engine has been running for a

while. Solid warning light, not blinking. Just wondering exactly what the EDC warning light is an indication of and wondering how worried I should be.-----Also having problems with cold start. Can't get it to work, no light comes on the dash.
