ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME •

NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* *Stargirl*.

From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don't miss the sequel, *Love, Stargirl*, as well as *The Warden's Daughter*, a novel about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion." —The New York Times

Perfect for use at home or in school, and a favorite of parents, homeschoolers, and teachers worldwide, Spectrum is the learning partner students need for complete achievement.

**A Lesson Before Dying** IXL Ultimate Workbooks

Best-selling author, Susan Beth Pfeffer, delivers a riveting companion to *Life As We Knew It* in this enthralling tale that follows seventeen-year-old Alex Morales as he fights to survive in the aftermath of apocalyptic events in New York City. Alex

---

Morales is an average high schooler focused on his after-school job, helping his dad out with building superintendent responsibilities, and getting good grades so he can make it into an Ivy League college. But when the moon alters its gravitational pull and catastrophic events ensue, everything changes. Now, he has to care for his younger sisters, decide whether it's ethical to rob the dead, and keep the hope alive that their lost parents will return. Bone-chilling and harrowing, Susan Beth Pfeffer investigates what it takes to survive when the odds are stacked against you in this captivating story about sacrifice and humanity.
