Many OneWorld XE customers are anxious about the February de-support date, said John Matelski, a board member of Quest, an independent user group for customers of the former J.D. Edwards ...

After delaying the upgrade for one year and refusing all requests by marketing for what he felt was a premature release, in the fall of 2000 JD Edwards released version B7333, now rebranded as OneWorld Xe. Despite press skepticism, Xe proved to be the most stable release to date and went a long way toward restoring customer confidence.
