The ultimate guide for Jack Daniel's enthusiasts and collectors is back! Picking up where Volume I left off (1971 - 2011), Volume II covers every new bottle released between 2011 and 2021. Beginning with a chapter providing updates about the bottles covered in the first Jack Daniel's Bottle Collector's Guide, this book also provides an in-depth look at recent changes around the Distillery and,

due to popular demand, dives deeper into internationally released bottles. The last decade has seen the most collectible bottles ever released by Jack Daniel's. In fact, for most collectors it was likely hard to keep up! This book reviews all of the new bottles with detailed information about each and a colored photograph for easy reference. Additionally, an updated checklist is provided which includes every bottle produced by the Distillery dating back to 1971. A tremendous resource for both new, as well as the most seasoned collectors, this book provides a wealth of information for all fans of Jack Daniel's!

Raw Spirit Nashville, TN :  
Rutledge Hill Press

A fascinating journey through Scotland's famous distilleries

with legendary author Iain Banks No true Scotsman can resist the allure of the nation's whisky distilleries. In an absorbing voyage as interesting to non-drinkers as to true whisky connoisseurs, sci-fi and literary author Iain Banks explores the rich heritage of Scottish whisky, from the largest and most famous distilleries to the smallest, most obscure operations. Whisky is more than a drink: it's a culture, a binder that joins together people, places and products far across Scotland's rugged terrain. Switching from cars to ferries to bicycles, Banks crisscrosses his homeland, weaving an engrossing narrative from the strange people, fascinating traditions, and downright bizarre places he encounters on his journey down Scotland's great golden road.

On May 4, 1964, Congress designated bourbon as a distinctive product of the United States, and it remains the only spirit produced in this country to enjoy such protection. Its history stretches back almost to the founding of the nation and includes many colorful characters, both well known and obscure, from the hatchet-wielding prohibitionist Carry Nation to George Garvin Brown, who in 1872 created Old Forester, the first bourbon to be sold only by the bottle. Although obscured by myth, the history of bourbon reflects the history of our nation. Historian Michael R. Veatch reveals the true story of bourbon in Kentucky Bourbon Whiskey. Starting with the Whiskey Rebellion of the 1790s, he traces the history of this unique beverage through the Industrial Revolution, the Civil War, Prohibition, the Great Depression, and up to the present. Veatch explores aspects of bourbon that have been ignored by others, including the technology behind its production, the effects of the Pure Food and Drug Act, and how Prohibition contributed to the Great Depression. The myths surrounding bourbon are legion, but Veatch separates fact from legend. While the true origin of the spirit may never be known for certain, he proposes a compelling new theory. With the explosion of super-premium bourbons and craft distilleries and the establishment of the Kentucky Bourbon Trail, interest in bourbon has never been higher. Veatch shines a light on its pivotal place in our national heritage, presenting the most complete and wide-ranging history of bourbon available.

*This Is My South U* of Nebraska Press Read the book Sammy Hagar calls "kick-ass, balls to the wall rock n roll cranked to ear-bleed levels." Many people drink, few do it professionally. My name is Dan Dunn and I consume alcohol for a living. That's right. I get paid to run around boozing, carousing, and getting into all manner of trouble, all in the name of covering the "adult beverage beat" for one of the most iconic brands on the planet, Playboy. I hereby invite you to join me, as I conduct "revealing" hotel room interviews with porn stars in LA; go Zip Cat racing in Scotland with Stifler from American Pie; turn the notoriously posh Pebble Peach Wine Tournament into the opportunity for a 3-day bender (thank God for my trusty voice recorder); enjoy whiskey-fueled romantic encounters in alleyways behind East Village watering holes; get forcibly removed from a boxing match at a Vegas casino (thanks to an unfortunate misunderstanding involving lots of liquor, and the flag of Cuba); get dumped by my stripper/med student girlfriend (mid-lap dance, no less) simply for not being "husband material;" wake up naked on a big-shot

to host a Kentucky Derby party in your home (with accompanying bourbon recipes), a list of approved bottled in bond restaurants in the United States, and lots of new facts and trivia about this uniquely American beverage. Just like a fine dream, drinkers will savor Bernie Lubbers Bourbon Whiskey. Its a personal and very enjoyable guide to Americas native spirit. Postcards from Jack Daniel's the Spirit of Tennessee Cookbook Random House Seminar paper from the year 2010 in the subject Communications - Public Relations, Advertising, Marketing, Social Media, grade: 70%, University of Westminster, course: Introduction to Branding, language: English, abstract: Jack Daniel's is a smooth, premium whiskey, also specifically defined as a 'Tennessee Whiskey'; a product which was born as a bourbon but which, having been mellowed through maple charcoal, becomes a Tennessee sour mash whiskey (www.jackdaniels.co.uk). Jack Daniel's position itself as a familiar reassuring, dependable brand and it promote itself as such. "Jack Daniel's is a unique whiskey that is slowly mellowed drop by drop through 10 feet of sugar maple charcoal and matured in new American oak barrels at America's oldest registered distillery to achieve its smooth character". JD is a premium whiskey, often more expensive than its competitors especially outside the U.S maintains its position despite its price, because the uniqueness of the product (www.jackdaniels.co.uk). The School of Sophisticated Drinking Howell Press " Pulls aside the curtain of puffery to show . . . the business of liquor to be every bit as fascinating as the fictions in which the distillers love to swaddle themselves. " —Wayne Curtis, The Wall Street Journal Walk into a well-stocked liquor store and you ' ll see countless whiskey brands, each boasting an inspiring story of independence and heritage. And yet, more than 95% of the nation ' s whiskey comes from a small handful of giant companies with links to organized crime, political controversy, and a colorful history that is far different than what appears on modern labels. In Bourbon Empire, Reid Mitenbuler shows how bourbon, America ' s most iconic style of whiskey, and the industry surrounding it, really came to be—a saga of shrewd capitalism as well as dedicated craftsmanship. Mitenbuler traces the big names—Jim Beam, Maker ' s Mark, Evan Williams, and more—back to their origins, exploring bourbon ' s founding myths and great successes against the backdrop of America ' s economic history. Illusion is separated from reality in a tale reaching back to the Whiskey Rebellion of 1794, when the ideologies of Thomas Jefferson and Alexander Hamilton battled to define the soul of American business. That debate continues today, punctuated along the way by Prohibition-era bootleggers, the liquor-fueled origins of NASCAR, intense consolidation driven by savvy lobbying, and a Madison Avenue plot to release five thousand parrots—trained to screech the name of a popular brand—into the nation ' s bars. Today, the whiskey business takes a new turn as a nascent craft distilling movement offers the potential to revolutionize the industry once again. But, as Mitenbuler shows, many take advantage of this excitement while employing questionable business practices, either by masquerading whiskey made elsewhere as their own or by shortcutting the proven production standards that made many historic brands great to begin with. A tale of innovation, success, downfall, and resurrection, Bourbon Empire is an exploration of the spirit in all its unique forms, creating an indelible portrait of both American whiskey and the people who make it. Happy Wives Club University Press of Kentucky The rich tradition of country cooking, the distinctive taste of Jack Daniel's Tennessee Whiskey, and the heritage of rural America are all elegantly captured in Jack Daniel's The Spirit of Tennessee

Cookbook. Included are more than 350 recipes, stunning full-color photographs, and stories of the people, places, and traditions of Middle Tennessee.

**Bourbon Whiskey DigiCat Moonshine!** A word that evokes images of America's outlaw heritage. Making moonshine has been such a huge part of our culture that many historians credit it as one of the cornerstones of our nation's foundations. How to make moonshine? Is quite likely the very question that brought you here. A yearning to learn the traditions that are in danger of being forgotten in the modern, digital era. I wrote this book to pass along the knowledge that was taught to me in the hills of Kentucky over 30 years ago. Along the way though I developed my own style. I boiled down what I learned and created a simplified style that any beginner can follow. I've developed designs that can be used right in the comfort of your own kitchen or out back in the woods! The truth is that Moonshining, aka "Home Distilling" is a folk art that helped build this country. Together we can make it live again, and have a little fun in the process! And a quick thank you to all my readers who have helped make *The Home Distiller* the best selling book ever on the art and science of making moonshine. Shine On! American Whiskey, Bourbon & Rye Sterling Epicure Discover insider secrets and insight

from bartenders all over the country on how to properly order, serve, and drink alcohol without looking like a novice. Each year we spend over \$200 billion on alcoholic beverages. From egg white – infused cocktails and Italian liqueurs to barrel-aged beer and fortified wine, it can be difficult to keep track of all the latest trends. Bartenders know all the inside info, and they are ready to share their knowledge. *Drink Like a Bartender* is a modern and fresh guide to everything bar and booze related. Novice and experienced drink lovers will learn the secrets of the industry, such as: -Which drinks make a bartender judge you (two words: fireball whiskey) -When to order top shelf (if you are ordering a Long Island Iced Tea, then no...) -Whether you need to use specific glasses or not (the answer is yes) -What kind of liquors to always have in your house for guests (vodka) -When to shake and when to stir (James Bond was totally wrong with his martini) -How to order your drink at the bar (liquor first...always) With tips and secrets from mixologists all over the country, new takes on classic cocktail recipes, a glossary of bar terms and lingo only the pros use, and fascinating alcohol-related trivia, you will be thinking, talking, and drinking like a bartender in no time.
