Karoo Boy Nashville, TN : Rutledge Hill Press
The Home Distiller's Workbook tackles the often misunderstood and misrepresented world of moonshine and distillation and reduces them to such simple concepts that even a first time "Shiner" can understand. The HDW will introduce you to the three basic steps in making your own artesian crafted spirits; brewing, distilling and ageing. We will be tackling these steps one by one in a way that will have you saying "I just can't believe it was that easy." And the truth is that it's even easier than that. If you can follow a recipe to make a cake then with the help of the HDW you could be making anything from Moonshine to Vodka on your kitchen stove!

Whiskey Simon and Schuster

"The world's leading experts reveal their secrets for success in business and in life." -- Cover

Hacking Whiskey John Wiley & Sons

A fascinating journey through Scotland's famous distilleries with legendary author Iain Banks No true Scotsman can resist the allure of the nation's whisky distilleries. In an absorbing voyage as interesting to non-drinkers as to true whisky connoisseurs, sci-fi and literary author Iain Banks explores the rich heritage of Scottish whisky, from the largest and most famous distilleries to the

smallest, most obscure operations. Whisky is more than a drink: it's a culture, a binder that joins together people, places and products far across Scotland's rugged terrain. Switching from cars to ferries to bicycles, Banks crisscrosses his homeland, weaving an engrossing narrative from the strange people, fascinating traditions, and downright bizarre places he encounters on his journey down Scotland's great golden road.

This Is My South Firefly Books Limited

While Scotland gave birth to whisky, its progeny now populate all four corners of the globe - from the U.S. to Japan, South Africa to Scandinavia. Today whisky sales are booming, making the timing perfect for this massive, witty, gorgeously illustrated volume. An ideal whisky "bible" for either connoisseur or neophyte, THE WORLD ATLAS OF WHISKY covers the history, process, distilleries and expressions of the world great whiskies, complete with detailed maps and 150 labels.

Blood and Whiskey Jack Daniel's Spirit of Tennessee Cookbook

A captivating narrative history that traces liquor, beer, and wine drinking in the American South, including 40 cocktail recipes. Ask almost anyone to name a uniquely Southern drink, and bourbon and mint juleps--perhaps moonshine--are about the only beverages that come up. But what about rye whiskey, Madeira wine, and fine imported Cognac? Or peach brandy, applejack, and lager beer? At various times in the past, these drinks were as likely to be found at the Southern bar as barrel-aged bourbon and raw corn likker. The image of genteel planters in white suits sipping mint juleps on the veranda is a myth that never was--the true picture is far more complex and fascinating. Southern Spirits is the first book to tell the full story of liquor, beer, and wine in the American South. This story is deeply intertwined with the region, from the period when British colonists found themselves stranded in a new world without their native beer, to the 21st century, when classic spirits and cocktails of the pre-Prohibition South have come back into vogue. Along the way, the book challenges the stereotypes of Southern drinking culture, including the ubiquity of bourbon and the geographic definition of the South itself, and reveals how that culture has shaped the South and America as a

whole.

The Tennessee Encyclopedia of History & Culture Fair Winds Press
Discover insider secrets and insight from bartenders all over the country on how to properly order, serve, and drink alcohol without looking like a novice. Each year we spend over \$200 billion on alcoholic beverages. From egg white – infused cocktails and Italian liqueurs to barrel-aged beer and fortified wine, it can be difficult to keep track of all the latest trends. Bartenders know all the inside info, and they are ready to share their knowledge. Drink Like a Bartender is a modern and fresh guide to everything bar and booze related. Novice and experienced drink lovers will learn the secrets of the industry, such as: -Which drinks make a bartender judge you (two words: fireball whiskey) -When to order top shelf (if you are ordering a Long Island Iced Tea, then no...) -Whether you need to use specific glasses or not (the answer is yes) -What kind of liquors to always have in your house for guests (vodka) -When to shake and when to stir (James Bond was totally wrong with his martini) -How to order your drink at the bar (liquor first...always) With tips and secrets from mixologists all over the country, new takes on classic cocktail recipes, a glossary of bar terms and lingo only the pros use, and fascinating alcohol-related trivia, you will be thinking, talking, and drinking like a bartender in no time.

Raw Spirit Mitchell Beazley

" The Creature from Reelfoot Lake: The Merman Who Loved

Women ” is a horror novel that it is reminiscent of the classic cinemas of the 1950s such as “ Creature from the Black Lagoon ” and “ The Blob. ” But with one major difference: The Reelfoot creature is half-human, a merman who has been on an obsessive search for his birth mother that has lasted more than 200 years. At the heart of the story are three former college roommates—two male, one female—who all have childhood and relationship issues that dominate their lives. The roommates—and their issues—converge at Reelfoot Lake, Tennessee, where the creature is inflicting a reign of terror that makes it difficult for the ex-roommates to locate a treasure that has been buried since the New Madrid earthquake of 1811. The protagonist is female, and the plot is complicated by the fact that she is being stalked by the third roommate, her ex-husband, at the same time that she is stalked by the creature. It is a sophisticated, multi-layered psychological thriller in which all the main characters are forced to deal with their individual issues. The creature cannot speak, but he has a distinctive voice that will touch the hearts of readers as he searches for the meaning of his tormented life.

Thomas Nelson

Includes 800 new recipes.

Creature from Reelfoot Lake GRIN Verlag

Troy Blacklaws ’ s acclaimed debut novel is the remarkable story of a boy coming of age in the wake of tragedy When his twin brother dies in a freak accident, Douglas ’ s life begins to unravel. His mother leaves his father, taking Douglas with her to live in the Karoo region, a harsh desert landscape that is a far cry from Cape Town and the seaside life Douglas has always known. In this small village that is wary of outsiders, he makes two friends who change his life forever: a beautiful girl named Marika and an old man named Moses. Immersed in rich language and vivid detail, and set against the backdrop of 1970s South Africa, Karoo Boy is the story of a young man finding his way in the midst of chaos and loss.

Eyewitness Companions: Whiskey Simon and Schuster

You may think you know the South for its food, its people, its past, and its stories, but if there ’ s one thing that ’ s certain, it ’ s that the region tells far more than one tale. It is ever-evolving, open to interpretation, steeped in history and tradition, yet defined differently based on who you ask. This Is My South inspires the reader to explore the Southern States — — Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Virginia — — like never before. No other guide pulls together these states into one book in quite this way with a fresh perspective on can ’ t-miss landmarks, off the beaten path gems, tours for every interest, unique places to sleep, and classic restaurants. So come see for yourself and create your own experiences along the way!

Cooking with Jack Random House Incorporated

A Manhattan or a Sazerac; neat, on the rocks, or with a splash of soda—no matter how it ’ s served up, whiskey is synonymous with

the poet ’ s inspiration and the devil ’ s spirit. Be it bourbon, rye, corn, Irish, or Scotch, whiskey has an infamous and celebrated history from a sometimes lethal, herb-infused concoction to a high-quality, meticulously crafted liquor. In Whiskey, Kevin R. Kosardelivers an informative, concise narrative of the drink ’ s history, from its obscure medieval origins to the globally traded product that it is today. Focusing on three nations—Scotland, Ireland, and America—Kosarcharts how the technique of distillation moved from ancient Egypt to the British Isles. Contrary to popular claims, there were no good old days of whiskey: before the twentieth century, consumers could never be sure just what was being poured in their cup—unscrupulous profiteers could distill anything into booze and pawn it off as whiskey. Eventually, government and industry established legal definitions of what whiskey is and how it could be made, allowing for the distinctive styles of whiskey known today. Whiskey explains what whiskey is, how it is made, and how the types of whiskey differ. With a list of suggested brands and classic cocktail recipes for the thirsty reader, this book is perfect for drink and food enthusiasts and history lovers alike.

Moon Nashville Oxford University Press

A complete guide to all high-quality American whiskeys now available, with descriptions and tasting notes, plus a detailed account of the important distilleries and colorful personalities--past and present--who have made American whiskey such a superb and distinctive contribution to our culture.

Whiskey Women Voyageur Press (MN)

The first-ever biography of the man who created America's most famous whiskey Born in Lynchburg, Tennessee, in 1850, Jack Daniel became a legendary moonshiner at age 15 before launching a legitimate distillery ten years later. By the time he died in 1911, he was an American legend-and his Old No. 7 Tennessee sipping whiskey was an international sensation, the winner of gold medals at the St. Louis World's Fair and the Liege International Exposition in Belgium. Blood and Whiskey captures Daniel's indomitable rise in the rough-edged world of the nineteenth-century whiskey trade-and shows how his commitment to quality (his whiskey was always charcoal-filtered) and his flair for marketing and packaging (he launched his distinctive square bottle in 189-5) helped create one of America's most venerable and recognizable brands.

Whiskey Cocktails Rowman & Littlefield

One unforgettable Christmas, young Truman Capote is sent from

his childhood home and his beloved cousin Miss Sook to New Orleans, to a father he's never met. Far from the warmth and familiarity of small town dreams and family traditions, Truman learns the painful truths about his father, about Santa Claus, and about love lost and found.

The Success Secret Potomac Books, Inc.

When you think of barbecue, you think of the South, with its rich traditions of cooking and pungent tastes and smells that permeate the air and fill the memory with thoughts of good times. But barbecue is not just for the Southerner or Southwesterner; it's a dish of national phenomena that appears in cookouts from California to Cape Cod; from Washington, D.C. to Ames, Iowa, and Green Bay, Wisconsin--and the sauces used are as varied as the cooking methods. Bourbon Cider Mill Press

Shortly after graduating from University of Glasgow in 1934, Elizabeth “ Bessie ” Williamson began working as a temporary secretary at the Laphroaig Distillery on the Scottish island Islay. Williamson quickly found herself joining the boys in the tasting room, studying the distillation process, and winning them over with her knowledge of Scottish whisky. After the owner of Laphroaig passed away, Williamson took over the prestigious company and became the American spokesperson for the entire Scotch whisky industry. Impressing clients and showing her passion as the Scotch Whisky Association ’ s trade ambassador, she soon gained fame within the industry, becoming known as the greatest female distiller. Whiskey Women tells the tales of women who have created this industry, from Mesopotamia ’ s first beer brewers and distillers to America ’ s rough-and-tough bootleggers during Prohibition. Women have long distilled, marketed, and owned significant shares in spirits companies. Williamson ’ s story is one of many among the influential women who changed the Scotch whisky industry as well as influenced the American bourbon whiskey and Irish whiskey markets. Until now their stories have remained untold.

The Book of Classic American Whiskeys Penguin

Whether you are looking to find out more about the production techniques and history of your favorite distillery or want to discover a hidden gem that you've never tried before, this book tells and shows you everything you need to know, including comprehensive tasting notes of recommended whiskies, serving suggestions, and food and whiskey pairing. families, many tastes, and many celebrations. Full-color photographs.

The World Atlas of Whisky University of Tennessee Press

Anthropologists and historians have confirmed the central role alcohol has played in nearly every society since the dawn of human civilization, but it is only recently that it has been the subject of serious scholarly inquiry. The Oxford Companion to Spirits and Cocktails is the first major reference work to cover the subject from a global perspective, and provides an authoritative, enlightening, and entertaining overview of this third branch of the alcohol family. It will stand alongside the bestselling Companions to Wine and Beer, presenting an in-depth exploration of the world of spirits and cocktails in a groundbreaking synthesis. The Companion covers drinks, processes, and techniques from around the world as well as those in the US and Europe. It provides clear explanations of the different ways that spirits are produced, including fermentation, distillation, and ageing, alongside a wealth of new detail on the emergence of cocktails and cocktail bars, including entries on key cocktails and influential mixologists and cocktail bars. With entries ranging from Manhattan and mixology to sloe gin and stills, the Companion combines coverage of the range of spirit-based drinks around the world with clear explanations of production processes, and the history and culture of their consumption. It is the ultimate guide to understanding what is in your glass. The Companion is lavishly illustrated throughout, and appendices include a timeline of spirits and distillation and a guide to mixing drinks.
