Dr. Cashel Gregory, Head of Organizational Psychology, is the guardian of ethics and sentinel of limits in the kink-centric world of specialist contracts at the Delphic Agency. It's a shame he is about to run, not walk, right past his own boundaries. Tay is the Dom's Dom, the experienced Head Trainer at Delphic. He is the man the Dominants look up to, and the Submissives drool over. But Tay has secrets. He's banned from contract work, and he's in therapy with Dr. Cashel. Cash never put a professional foot wrong until he let Tay under his skin. Tay never felt such desire as when he realized Cash has never had a man, let alone one like him. They are colleagues. They are therapist and patient. They are an expert Dominant, who was born into a Leather family, and a theoretical Submissive, who has never even been kissed. They are crossing every single boundary there is, and it could ruin both of them, in every way possible. PAID TO WATCH is Book Four in the Delphic Agency Series, and features a closet submissive, a leather Dom who yearns for a true submissive to call his own, and plenty of steamy kink exploration as they go from colleagues to lovers and beyond in search of the HEA they deserve.

Bone Detective Penguin
The Angelic Conflict rages around us. This is not a world war. This is a war beyond the world—an invisible warfare between the forces of Satan and the forces of God. Ultimately God will win. Long before the advent of human history, Satan arrogantly rebelled against his Creator. He wanted to make himself “like the Most High” and recruited one-third of the angels to follow him. God justly condemned Satan and his fallen angels to spend eternity in the lake of fire. Satan appealed the sentence, claiming unfairness—questioning how a loving God could cast His creatures into hell. Planet Earth is now the battleground where Satan seeks to outmaneuver God, prove the judgment unfair, and foil the execution of his sentence. Satan will not suffer defeat without an intense struggle. God created man to resolve this angelic conflict. Human volition is the focal point of the firestorm. Will man choose God's grace plan of salvation or follow the arrogant system of Satan? Through the freewill decisions of mankind, God proves to Satan His perfect justice and love again and again. As believers, it is imperative we understand this spiritual warfare that surrounds us. Satan uses every ruse at his command to derail and discredit those who are in Christ. For our defense, God has provided an overwhelming advantage in a powerful suit of spiritual armor. With it we can withstand the “flaming missiles of the evil one” and become heroes in the invisible war. God is glorified as we lock shields and stand firm on His power and Word.

A Woman's Work, with Gurdjieff, Ramana Maharshi, Krishnamurti, Anandamayi Ma & Pak Subuh Harper Collins
The current world confusion and condition of human affairs is a natural phase within an evolutionary process that will ultimately lead to the unification of the human race into a single social

order. This processhas passed throughstageswe should consider as being analogous tothose of infancy and childhood, and is now in the culminating period of adolescence approaching its long-awaited coming of agean age of universal peace and justice. This has been the promise given throughout all the major faiths of the world. The social fabric of the world is out of balance and through Divine interventionnations willform together in a collective consciousness recognizing the need for a revolutionary shift of spirit to undertake those measures creating lasting harmony and peace. Dr. M. Scott Peck speaks of world-views as being religious. To move away from war, we must distinguish between "true religions and false religions, true prophets and false prophets," and that "truth in religion is characterized by inclusivity," while "falsity in religion can be detected by its one-sidedness and failure to integrate the whole." History clearly shows that some form of a universal legislative body is not only essential, but also inevitable.Such a system is not conceived from the mind of mortal man; rather, it is a Divine System that was set in motion over 6000 years ago. The purpose in writing Melchizedek & the Temple is to show the story of this evolutionary processa journey through time, culminating with the promise of an earthly kingdoman all-inclusive world government, free from tyranny, hate, prejudice and war.Melchizedek & the Temple offers a practical, and compelling alternative to antiquated ideas that in reality prevent humankind from achieving what it longs foruniversal peace and justice. It is a message of warning and of promise.
