jabber ipad "failed to get device confi... - Cisco Community

I too am having the same xact problem.
Upon attempting to login to the unified
communications manager selection in the
Cisco Jabber for iPad app I receive "failed
to get device configuration." I have

followed the steps in the admin guide but no luck. All servers in cluster have been rebooted, cop files loaded, device created, etc... but nothing.

Jabber for iPhone 6 - version 10.5 on i... - Cisco Community

OK, let's clarify something, this forum is for Voice admins, not end users, your IT department should have configured it all so that you only had to type in your username and pwd, that's it.

Cisco Jabber for iPhone and iPad is a collaboration application that provides presence, instant messaging (IM), voice, voice messaging, and video calling capabilities on Apple iPhone, iPad, iPod...
