Jack Reacher's Rules is the ultimate fan's guide to the World of Reacher! Featuring selections from all seventeen electrifying Jack Reacher novels and an introduction from Lee Child himself, this one-of-a-kind book compiles timeless advice from maverick former army cop Jack Reacher, the hero of Lee Child's blockbuster thrillers and now the star of a major motion picture. My name is Jack Reacher. No middle name, no address. I've got a rule: People mess with me at their own risk. You don't have to break the rules if you make the rules. Case in point: Jack Reacher, the two-fisted, quick-witted, "current poster-boy of American crime fiction" (Los Angeles Times). The brainchild of #1 New York Times bestselling author Lee Child, Reacher is a freelance troubleshooter with a mysterious past—and a serious passion for justice. Now the hard-won knowledge and hard-hitting strategies of fiction's toughest tough guy are within every thriller reader's reach—in a rapid-fire rundown of the trade secrets, tried-and-true tricks, and time-honored tactics that separate the man in the street from the man to beat. Rule 1. When in doubt, drink coffee. Rule 2. Never volunteer for anything. Rule 3. Don't break the furniture. Rule 4. Only one woman at a time. Rule 5. Show them what they're messing with. Please note: Jack Reacher's Rules is a compilation of advice, wisdom, and facts from the Jack Reacher series of novels by #1 New York Times bestselling author Lee Child. It features an introduction by Lee Child, but is not a Jack Reacher novel.

Never go back—but Jack Reacher does, and the past finally catches up with him. . . . *Never Go Back* is a novel of action-charged suspense starring “one of the best thriller characters at work today” (*Newsweek*). Former military cop Jack Reacher makes it all the way from snowbound South Dakota to his destination in northeastern Virginia, near Washington, D.C.: the headquarters of his old unit, the 110th MP. The old stone building is the closest thing to a home he ever had. Reacher is there to meet—in person—the new commanding officer, Major Susan Turner, so far just a warm, intriguing voice on the phone. But it isn’t Turner behind the CO’s desk. And Reacher is hit with two pieces of shocking news, one with serious criminal consequences, and one too personal to even think about. When threatened, you can run or fight. Reacher fights, aiming to find Turner and clear his name, barely a step ahead of the army, and the FBI, and the D.C. Metro police, and four unidentified thugs. Combining an intricate puzzle of a plot and an exciting chase for truth and justice, Lee Child puts Reacher through his paces—and makes him question who he is, what

he’s done, and the very future of his untethered life on the open road. Don’t miss Lee Child’s short story “High Heat” in the back of the book. Praise for *Never Go Back* “A breathless cross-country spree . . . some of the best, wildest writing [Lee] Child has ever done . . . Child’s bodacious action hero, Jack Reacher, has already tramped through 17 novels and three e-book singles. But his latest, *Never Go Back*, may be the best desert island reading in the series. It’s exceptionally well plotted. And full of wild surprises. And wise about Reacher’s peculiar nature. And positively Bunyanesque in its admiring contributions to Reacher lore.” —Janet Maslin, *The New York Times* “Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong place at the right time. . . . Child has created an iconic character that other thriller writers try to emulate but don’t come close to matching. He has a talent for taking material that in the hands of other authors would be stale and making it seem fresh. . . . Tight and compelling . . . *Never Go Back* is one of Child’s best novels.” —Associated Press “An adrenaline-charged, action-packed thriller . . . impossible to put down.” —Lansing State Journal “The dialogue has never been sharper. . . . The pages turn themselves.” —San Antonio Express-News “For the pure pleasure of uncomplicated, nonstop action, no one touches Reacher.” —Kirkus Reviews (starred review)

“Brilliant . . . Child never, ever slips. He keeps the action cranking better than anyone, but, best of all, he keeps us guessing about Reacher.” —Booklist (starred review) “One of the best in the series.” —Publishers Weekly (starred review)

It had never been attempted before, and might never be done again. One man watching another man write a novel from beginning to end. On September 1, 2014, in an 11th floor apartment in New York, Lee Child embarked on the twentieth book in his globally successful Jack Reacher series. Andy Martin was there to see him do it, sitting a couple of yards behind him, peering over his shoulder as the writer took another drag of a Camel cigarette and tapped out the first sentence:

"Moving a guy as big as Kever wasn't easy." Miraculously, Child and Martin stuck with it, in tandem, for the next 8 months, right through to the bitter-sweet end and the last word, "needle". *Reacher Said Nothing* is a one-of-a-kind meta-book, an uncompromising account in real time of the genesis, evolution and completion of a single work, *Make Me*. While unveiling the art of writing a thriller Martin also gives us a unique insight into the everyday life of an exemplary writer. From beginning to end, Martin captures all the sublime confidence, stumbling uncertainty, omniscience, cluelessness, ecstasy, despair, and heart-thumping suspense that go into writing a number-one bestseller.

Instead, he's sequestered in a dark little roadhouse with a bartender, a bewildered elderly couple—and two members of Britain's Royal Military Police. They tell Reacher they were escorting a VIP to a top-secret meeting at a U.S. military base when they became separated from their charge. That's when the threat came in from a notorious assassin: the Christmas Scorpion. Now they need a miracle to save the day. Or maybe all they need is Jack Reacher.

The Jack Reacher Field Manual Delacorte Press

In this eBook exclusive short story, #1 New York Times bestselling author Lee Child goes back to 1989, when Jack Reacher is an MP assigned to solve the cold-blooded murder of a young officer—whose killer may be closer to Reacher than he suspects. Don't miss a thrilling preview of Lee Child's highly anticipated new Jack Reacher novel, *Make Me!* The telex is brief and to the point: One active-duty personnel found shot to death ten miles north of Fort Smith. Circumstances unknown. Found in a silver Porsche along an isolated forest road in Georgia, the victim was shot twice in the chest and once in the head. A professional hit. Clean. The crime scene suggests an ambush. Military police officer Jack Reacher is given the case. He calls his older brother, Colonel Joe Reacher, at the Pentagon for intel and taps Sergeant Frances Neagley to help him answer the big question: Who would kill a brilliant officer on the fast-track to greatness? For Jack Reacher, the answer hits home. Praise for #1 bestselling author Lee Child and his Reacher series "Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong place at the right time. . . . The "utterly addictive" (The New York Times) series continues as acclaimed author Lee Child teams up with his brother, Andrew Child, fellow thriller writer extraordinaire. "One of the many great things about Jack Reacher is that he's larger than life while remaining relatable and believable. The Sentinel shows that two Childs are even better than one." —James Patterson As always, Reacher has no particular place to go, and all the time in the world to get there. One morning he ends up in a town near Pleasantville, Tennessee. But there's nothing pleasant about the place. In broad daylight Reacher spots a hapless soul walking into an ambush. "It was four against one" . . . so Reacher intervenes, with his own trademark brand of conflict resolution. The man he saves is Rusty Rutherford, an unassuming IT manager, recently fired after a cyberattack locked up the town's data, records, information . . . and secrets. Rutherford wants to stay put, look innocent, and clear his name. Reacher is intrigued. There's more to the story. The bad guys who jumped Rutherford are part of something serious and

deadly, involving a conspiracy, a cover-up, and murder—all centered on a mousy little guy in a coffee-stained shirt who has no idea what he's up against. Rule one: if you don't know the trouble you're in, keep Reacher by your side.

STREAMING SERIES REACHER Digging graves had not been part of my plans when I woke up that morning. Reacher goes where he wants, when he wants. That morning he was heading west, walking under the merciless desert sun—until he comes upon a curious scene. A Jeep has crashed into the only tree for miles around. A woman is slumped over the wheel. Dead? No, nothing is what it seems. The woman is Michaela Fenton, an army veteran turned FBI agent trying to find her twin brother, who might be mixed up with some dangerous people. Most of them would rather die than betray their terrifying leader, who has burrowed his influence deep into the nearby border town, a backwater that has seen better days. The mysterious Dendoncker rules from the shadows, out of sight and under the radar, keeping his dealings in the dark. He would know the fate of Fenton's brother. Reacher is good at finding people who don't want to be found, so he offers to help, despite feeling that Fenton is keeping secrets of her own. But a life hangs in the balance. Maybe more than one. But to bring Dendoncker down will be the riskiest job of Reacher's life. Failure is not an option, because in this kind of game, the loser is always better off dead.

"Child's best for some time...with detective-story and romcom elements (even sly humour) on top of the psychological duels and set-piece violence." (Sunday Times) Jack Reacher has no place to go, and all the time in the world to get there. A remote

railroad stop on the prairie with the curious name of Mother's Rest seems perfect for an aimless one-day stopover. He expects to find a lonely pioneer tombstone in a sea of nearly-ripe wheat. Instead there is a woman waiting for a missing colleague, a cryptic note about two hundred deaths, and a small town full of silent, watchful people. Reacher's one-day stopover turns into an open-ended quest leading to the most hidden reaches of the internet, and right into the nightmare heart of darkness. _____

Reacher's Rules Delacorte Press

The gripping new Jack Reacher thriller from the #1 New York Times bestselling authors Lee Child and Andrew Child “ No Plan B is not to be missed. A perfectly plotted, fast-paced thriller, with bigger twists than ever before. It ’ s no wonder Jack Reacher is everyone ’ s favorite rebel hero. ” —Karin Slaughter In Gerrardsville, Colorado, a woman dies under the wheels of a moving bus. The death is ruled a suicide. But Jack Reacher saw what really happened: A man in a gray hoodie and jeans, moving stealthily, pushed the victim to her demise—before swiftly grabbing the dead woman ’ s purse and strolling away. When another homicide is ruled an accident, Reacher knows this is no coincidence. With a killer on the loose, Reacher has no time to waste to track down those responsible. But Reacher is unaware that these crimes are part of something much larger and more far-reaching: an arsonist out for revenge, a foster kid on the run, a cabal of powerful people involved in a secret conspiracy with many moving parts. There is no room for error, but they make a grave one. They don ’ t consider Reacher a threat. “ There ’ s too much at stake to start running from shadows. ” But Reacher isn ’ t a

shadow. He is flesh and blood. And relentless when it comes to making things right. For when the threat is Reacher, there is No Plan B.
