First Edition We
present here a one
semester course on
Probability Theory. We
also treat measure
theory and Lebesgue
integration,
concentrating on those

aspects which are especially germane to the study of Probability Theory.

Philip Protter. Publications Books Curriculum Vitae Home. 2012 Discretization of Processes, Springer-Verlag, Heidelberg. In applications, and especially in mathematical finance, random time-dependent events are often modeled as stochastic processes. Assumptions are made about

the structure of such processes, and serious researchers will want to justify those assumptions through the use of data. This book (written with Jean Jacod) establishes the theory of how to go about estimating not just ...
