'I've waited for this moment so long, dreamed of it, prepared for it, I can barely believe it's finally here. But it is. And it is nothing like I expected.' There was a short time in Australia's European history when two women wielded extraordinary power and influence behind the scenes of the fledgling colony. One was Elizabeth Macquarie, the wife of the new governor Lachlan Macquarie, nudging him towards social reform and magnificent buildings and town planning. The other was Elizabeth Macarthur, credited with creating Australia's wool industry and married to John Macarthur, a dangerous enemy of the establishment. These women came from strikingly different backgrounds with husbands who held sharply conflicting views. They should have been bitter foes. Elizabeth & Elizabeth is about two courageous women thrown together in impossible times. Borne out of an overriding admiration for the women of early colonial Australian history, Sue Williams has written a novel of enduring fascination. 'An extraordinary story of female leadership at a time when such a quality was frowned on, and female friendship forged against the odds. Sue Williams' Elizabeth & Elizabeth brings us a nuanced and vivid portrait of the early days of colonisation. More importantly, it delivers a fascinating look into the relationship between two remarkable women.' - Meg Keneally, bestselling author of *The Wreck* 'A fascinating and evocative story of an enduring friendship between two women who played such an important role in colonial Australia's history.' - Caroline Beecham, author of *Finding Eadie*

Colonial America holds friendship, hardship, and love for a bold woman in this classic historical romance from the bestselling author of *Green Darkness*. In 1631 Elizabeth Winthrop, newly widowed with an infant daughter, set sail for the New World. Against a background of rigidity and conformity she dared to befriend Anne Hutchinson at the moment of her banishment from the Massachusetts Bay Colony; dared to challenge a determined army captain bent on the massacre of her friends the Siwanoy Indians; and, above all, dared to love a man as her heart and her whole being commanded. And so, as a response to this almost unmatched courage and vitality, Governor John Winthrop came to refer to this woman in the historical records of the time as his "unregenerate niece." Anya Seton's riveting historical novel portrays the fortitude, humiliation, and ultimate triumph of the Winthrop woman, who believed in a concept of happiness transcending that of her own day.

"The Winthrop Woman is that rare literary accomplishment—living history. Really good fictionalized history [like this] often gives closer reality to a period than do factual records." —Chicago Tribune "A rich and panoramic narrative full of gusto, sentimentality and compassion. It is bound to give much enjoyment and a good many thrills." —Times Literary Supplement (UK) "Abundant and juicy entertainment." —New York Times

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

The name Elizabeth Lowell has become synonymous with electrifying fiction that seamlessly combines suspense, intrigue, and passion. And now the phenomenal New York Times bestselling author brilliantly displays her incomparable talents in a story of treachery, greed, conspiracy, and murder that will hold the reader spellbound until the final word. It is the opportunity of a lifetime for Kate Chandler, the chance to cut seven rare, priceless sapphires and solidify her reputation as a world-class jewel cutter. But something goes horribly, tragically wrong during what should have been a simple transfer of goods. The sapphires vanish without a trace. Missing also is the man Kate trusted to transport the gems: her half brother, Lee, who now, quite possibly, is dead. And suddenly she is on the run, pursued by federal agents who suspect her of being the criminal mastermind of a cunning bait-and-switch scheme. Special agent Sam Groves is one of the best of

the best, an essential member of the FBI's elite crime strike force and the perfect man to lead the hunt, since he could never be scammed by a beautiful confidence woman. But something is troubling about this assignment, because someone else is chasing Kate Chandler as well. Only Kate suspects the awful truth: She's unwittingly stumbled into a conspiracy of deceit, betrayal, and cold-blooded murder that goes far beyond a simple jewel heist. And a chilling, threatening voice on the telephone only confirms her worst suspicions. Getting Sam Groves, the FBI agent who's her constant shadow, to believe her is a step in the right direction -- but it may be one that's too little too late in a bloody game where terror dictates her every move and the rules are constantly changing. Because the order has already been passed down to a ruthlessly efficient assassin: Kate Chandler must not be allowed to live ...

Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD -- and fit in with the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, *Ungifted* is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.

'Manning renders Shanghai as a riot of flavors, sights, and sounds, its elegance clashing against gritty poverty in this exquisite window into the past.' - Booklist, starred review 'Kirsty Manning has woven, blended, sewn the threads of history, family secrets, the past and the present into a page-turning, beautiful novel. Her talent for researching and writing a seamless dual-narrative story with characters reflecting tragedy and trauma lived, and survived, will enthral and educate. Her approach and style to the multiple cultures and countries reinforces that humanity will rise above evil. The Jade Lily is a story rich in the elements of plot, characters, and unselfish love leading to hope: the last thing to die.' - Heather Morris, author of the bestselling *The Tattooist of Auschwitz* In 2016, fleeing London with a broken heart, Alexandra returns to Australia to be with her grandparents, Romy and Wilhelm, when her grandfather is dying. With only weeks left together, her grandparents begin to reveal the family mysteries they have kept secret for more than half a century. In 1939, two young girls meet in Shanghai, the 'Paris of the East': beautiful local Li and Viennese refugee Romy form a fierce friendship. But the deepening shadows of World War Two fall over the women as Li and Romy slip between the city's glamorous French Concession and the desperate Shanghai Ghetto. Eventually, they are forced separate ways as Romy doubts Li's loyalties. After Wilhelm dies, Alexandra flies to Shanghai, determined to trace her grandparents' past. As she peels back the layers of their hidden lives, she begins to question everything she knows about her family - and herself. A gorgeously told tale of female friendship, the price of love, and the power of hardship and courage to shape us all. 'This is a rich, sensual, and evocative novel, fragrant with the smell of crushed herbs and flowers, and haunted by the high cost that women must sometimes pay to find both love and their vocation.' Kate Forsyth on *The Midsummer Garden* '...compelling, passionate and admirable.' Australian Women's Weekly on *The Midsummer Garden*
