Jaguar Mk II Veloce Publishing Ltd

Jaguar Mk II

There have been other generations of Jaguar XK since, but the definitive incarnation is the family of 6-cylinder sports cars that stretches from the late 1940s to the mid-1970s, from XK120 to the E-Type. On road, on track and on rally stage, they built the foundations of Jaguar's sporty image and giant-killing reputation, not to mention its commercial roots - especially in America. By any definition, the 6-cylinder XKs are at the heart of everything that Jaguar grew into. This is the complete story of the whole 6-cylinder XK generation, the circumstances, the people and the events that created it and made it a sports car legend - and guaranteed that forever after, in Jaguar's vocabulary, XK would always mean 'sports car'. This book will be of great interest to all motoring historians and Jaguar enthusiasts and is superbly illustrated with 270 colour archive photographs.
