It would also ultimately have the most powerful forced-induction engine of any production Jaguar road car and it had a lot riding on its success. It was the XK8 - a sleek, purposeful grand tourer in the Jaguar tradition. Graham Robson, one-time Jaguar apprentice and a motoring historian with several other Jaguar books to his credit, tells the story of one of the twentieth century's most beautiful sports car, from its conception to the end of the line for both it and the factory it was built in.

Jaguar/Daimler XJ David and Charles

The XJ-S was Jaguar's most controversial car. Despite offering a superb blend of performance and refinement it was a radical departure in style from the elegant E-type. It appeared at a time when fuel-thirsty luxury cars were unfashionable. However, Jaguar stuck with the car and the result is a twenty-one year production history and a firm place in the classic jaguar list.
