Arihant Publications India limited Retail Banking has become a very important component in the business mix of banks. Retail Banking offers multiple comfort factors for banks to do business. Large and divergent customer base across income segments offers huge scope for banks to develop and English for Presentations EduGorilla Community Pvt. Ltd. The sixth book in the Wrightbooks Made Simple series, Options Made Simple is an uncomplicated guide to trading

options for beginners. This book outlines some simple, easy to understand strategies anyone can use to start trading options. The book will be a succinct paperback with lower price point, and provide the perfect first step into trading options. An option is a binding contract that gives the buyer the right, but not the obligation, to buy or sell an underlying asset at a specific price on or before a certain date it has strictly defined terms and properties. Options are very versatile

and allow you to change your position according to the situation they can be speculative or conservative depending on your trading strategy, but the risk can be mitigated by having a firm basic understanding. The Made Simple series is the perfect vehicle for this content as readers are taken step\by\step through everything they need to know about trading options. Including what can go wrong and can work out which strategies they are most comfortable with. Advance Bank
