Books) (For Board Exams 2024) Disha Publications Throughout his career, Derrick Parker worked on some of the biggest criminal cases in rap history, from the shooting at Club New York, where Derrick personally escorted Jennifer Lopez to police headquarters, to the first shooting of Tupac Shakur. Always straddling the fence between "po-po" and NYPD outsider, Derrick threatened police tradition to try to get the cases solved. He was the first detective to interview an informant offering a detailed account of Biggie Smalls's murder. He protected

one of the only surviving eyewitnesses to the Jam Master Jay murder and knows the identity of the killers as well as the motivation behind the shooting. Notorious C.O.P. reveals hip-hop crimes that never made the paper—like the robbing of Foxy Brown and the first Hot 97 shooting—and answers some lingering questions about murders that have remained unsolved. The book that both the NYPD and the hip-hop community don't want you to read, Notorious C.O.P. is the first insider look at the real links between crime and hip-hop and the

inefficiencies that have left some of the most widely publicized murders in entertainment history unsolved.
