(Published as a Morris Jesup Book in association with the Westport Library, Westport, Connecticut) Written by an intimate participant in the turbulent civil rights movement in Mississippi, Nobody Said Amen tells the stories of two families' lives, one white, one black, as they navigate the challenging,

tilting landscape created by the coming of "outside agitators" and social change to the Mississippi Delta in the 1960s. Owner of a great plantation, Luke Claybourne is a product of Southern attitudes, a decent man who feels responsible for the black families who make his plantation run, but who is loathe to accept the changes necessary for its survival. When he loses his plantation, his entire world is shattered. Led by his wife, Willy, and their friendship with a Northern journalist, Luke is forced to come to terms with a new way of life in the post--Civil Rights era South. Meanwhile, Jimmy Mack, a young black Mississippian leading a group of students who have come to Shiloh to help blacks gain the right to vote, has become a target of the Klan—savagely beaten while in jail and threatened with a burning cross. His love affair with Eula,

a Claybourne employee, highlights the tensions and hazards of trying to love in the shadow of a racist world. Rich with a colorful roster of the people in Shiloh, *Nobody Said Amen* tells a triumphant American tale.

“Okri shares with García Márquez a vision of the world as one of infinite possibility. . . . A masterpiece” (*The Boston Sunday Globe*). Azaro is a spirit

child, an abiku, existing, according to the African tradition, between life and death. Born into the human world, he must experience its joys and tragedies. His spirit companions come to him often, hounding him to leave his mortal world and join them in their idyllic one. Azaro foresees a trying life ahead, but he is born smiling. This is his story. When President Bill Clinton first went to Africa he quoted from *The Famished Road*, which has inspired literature, art, politics, and pop songs—and even been referenced in an episode of *The Simpsons*. A transformative story for all ages and all times, it means many things to many people. Few contemporary novels have aroused as much passion as this one. Indeed, twenty-five years after its breakout publication, the iconic story of Azaro’s travels continues to mesmerize new generations. For readers of *Things Fall Apart* or *One Hundred Years of Solitude*, this Man Booker Prize – winning blend of fabulism and gritty realism by the Nigerian author of *Astonishing the Gods* and

Dangerous Love is a “dazzling, hypnotic” journey through Africa that “weaves the humblest detail with the most extravagant flight of fancy to create an astonishing fictional tapestry” (*San Francisco Chronicle*). Already considered a classic of world literature, it is “a masterpiece if ever one existed” (*The Boston Sunday Globe*).
