It was not until recently, as I took a position as tutor at a local community college, that I discovered a rigorous introductory physics text that did not involve calculus (only one semester of calculus is offered at the college, and usually taken concurrently with or after physics). Walker's text, second edition, is the text we currently use.

Chapter 1 Physics, 4 Edition James S. Walker

Does anyone know where to find instructors the solutions manual for Physics by James S. Walker 4th Edition? I need instructors version.
