"...profoundly moving..."

-Publishers Weekly Nelson

Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad – the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson

Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

A Concise Course in Advanced Level Statistics University of Wales Press

This collection of articles studies the development of crime fiction in Denmark, Finland, Iceland, Norway and Sweden since the 1960s, offering the first English-language study of this widely read and influential form. Since the first Martin-Beck novel of Maj Sjöwall and Per Wahloo appeared in 1965, the socially-critical crime novel has figured prominently in Scandinavian culture, and found hundreds of millions of readers outside Scandinavia. But is there truly a Scandinavian crime novel tradition? Scandinavian Crime Fiction identifies distinct features and changes in the Scandinavian crime tradition through analysis of some of its most well-known writers: Henning Mankell, Stieg Larsson, Anne Holt, Liza Marklund, Leena Lehtolainen, and Arnaldur Indrióason, among others. Focusing on Scandinavian crime fiction's snowballing prominence since the 1990s, articles zoom in on the transformation of the genre's social criticism, study the significance of cultural and geographical place in the tradition, and analyze the cultural

politics of crime fiction, including struggles over gender equity, sexuality, ethnicity, history, and the fate of the welfare state.

Scandinavian Crime Fiction maps out the contribution of Scandinavian crime writers to contemporary European culture and society, making the volume valuable to scholars and the interested public.

This classic textbook, written
by distinguished academics
from around the world, has
now reached its third edition. It
provides an invaluable guided
tour through key areas:
theories of media and society;
studies of media organization;
and studies of media, culture,
and ideology. Critical
overviews are combined with
original case studies. To keep
pace with the rapidly change
field, the majority of essays in
this third edition are new.

These include overviews of
media and society from the
perspectives of class, gender,
and ethnicity that plug media
studies into new developments
in the social sciences. This new
edition also includes essays
focusing on changes in the
media: the emergence of the
Internet, the fragmentation of
political communications, and
the rise of globalization.
