Janitors is published
by Shadow Mountain,
the same company

that published Brandon
Mull's Candy Shop
Wars and Fablehaven
series, and I can
definitely see this book
appealing to fans of
Mull's books. There is
a lot of action and
excitement packed into
this adventure, and (as
a bonus!) there is
nothing that will make
parents cringe.

With the help of his new friend, Daisy, Spencer has to find out what the janitors know. The children's search uncovers the magic taking place behind the scenes of their seemingly ordinary school, where a battle is being waged for the minds of the students. Who can be trusted - and can Spencer and Daisy protect their school and possibly the world?
