After an immense process of careful restoration and conservation, the outstanding artistry of the Great East Window is revealed afresh through state-of-the-art photography that captures the complete sequence of major panels, in corrected placements, for the very first time. At the size of a tennis court, it is the largest single expanse of medieval stained glass in Britain and one of the largest medieval windows ever made. This visual feast is brought to life by expert author Sarah Brown, who explores the history, artistry, meaning and restoration of the window, revealing new insights on a fragile masterpiece that has been described as England's Sistine Chapel. Ground breaking new research has shed exciting new light on the window's complex narratives, relating its story to the Minster's history and liturgy. The Great East Window of York Minster explores the window's biblical presentation of the beginning and end of time, the window's relationships with other media and the technical processes behind its creation. This stunning, illustrated hardback presents an engaging contextual analysis of the window's unequivocal position as an English masterpiece.

An irresistible comedy with thrills and derring do set in the news room. Hildy wants to break away from journalism and go on a belated honeymoon. There is a jailbreak and into Hildy's hands falls the escapee as hostage. He conceals his prize in a rolltop desk and phones his scoop to his managing editor. Their job is to prevent other reporters and the sheriff from opening the desk and finding their story. Some hoodlums are enlisted to remove the desk, but they get mixed up with a Boy Scout troop and the mayor and a cleaning woman, among others. It's a whirlwind wrap up with Hildy finally making his breakaway, but the cynical managing editor has him arrested before he leaves town for having stolen a watch he planted on Hildy.

Ahead of the Curve is the first sewing book to empower curvy and plus size women to feel body confident by sewing a wardrobe that fits. Don't change your body to fit your clothes – change your clothes to fit your body! Ahead of the Curve includes 5 basic garment patterns (UK sizes 16 – 36/US size 12 – 32/EUR sizes 44 – 64), which includes a pair of trousers, a t-shirt, a sleeveless top and two dress designs. Jenny takes you through a series of “Fit Clinics” – tutorials and case studies demystifying the fitting process – showing you how to adjust these patterns to master the perfect fit for your body shape. Once you have got to grips with this, you can go on to

customize your closet and create an unlimited array of fantastic clothes that celebrate your body. If you're curvy or plus size, trying to find clothes that fit and reflect your personal style can be incredibly difficult and frustrating. Plus size women feel constantly excluded and like they can't express their personality through clothes.

This book finally changes that.
