The employees
were given the
option to buy the
machines at cost. I
bought a Janome

Harmony 9102D
serger for \$181 plus
tax!! I thought this
was a good deal and
it seems to sew
beautifully. I read
one reveiw on this
machine here at
patternreview and it
was favorable for a
beginning machine.

Janome Serger
Reviews - Best
Sewing Machines
The Janome Four-
DLB is a very basic
starter serger that
does exactly what the
company says it will.

While the cost is
slightly higher than
sergers in the same
class, it operates
smoothly at its top
speed of 1,300
stitches per minute.

by Janome is the
Janome 9102d serger.
It ' s a great little
workhorse, although
it can be a bit noisy at
times. The 9102d is a

reliable machine, not
requiring a lot of time
in the repair shop.
It ' s easy to use, with
one exception.
